Plagues, Priests, and Demons is a comparative and interdisciplinary study of the rise of Christianity in the late Roman Empire and colonial Mexico. Analysis of early Christian literature and Spanish missionary texts reveals that epidemic disease undermined pre-Christian societies, contributing respectively to pagan and Indian interest in new forms of social and religious life.

Book description. Drawing on anthropology, religious studies, history, and literary theory, Plagues, Priests, and Demons explores significant parallels in the rise of Christianity in the late Roman empire and colonial Mexico. Evidence shows that new forms of infectious disease devastated the late Roman empire and Indian America, respectively, contributing to pagan and Indian interest in Christianity.

Plagues, Priests, and Demons by Daniel T. Reff

Daniel T. Reff has delved more deeply into the beliefs of Jesuit missionaries than any other scholar of northern Mexico. Reff was trained as an anthropologist.

Plagues and Peoples — Free Paper Sample

The Robigalia was a festival in ancient Roman religion held April 25, named for the god Robigus. Its main ritual was a dog sacrifice to protect grain fields from disease. Games in the form of "major and minor" races were held. The Robigalia was one of several agricultural festivals in April to celebrate and vitalize the growing season, but the darker sacrificial elements of these occasions are ...
