Climbing out of Hell, Dante in the Purgatorio reaches an island set in the southern ocean. This is Mount Purgatory, where he encounters the penitents who heroically endure their sufferings and speak of their time on Earth. Strange and fresh at every turn, Dante's narrative evokes the mountain landscape in terms of intense physical sensation, right up to the summit. There, before rising to heaven, he enters the Earthly Paradise, where he is movingly reunited with his lost love, Beatrice. This gloriously vivid portrayal of the search for redemption transformed the traditional conception of Purgatory and affirmed the dignity of human will and compassion.

In his introduction to THE INFERNO, the translator says: "I suppose that a very great majority of English-speaking people, if they were asked to name the greatest epic poet of the Christian era in Western Europe, would answer Dante." THE DIVINE COMEDY continues to be widely read today, whether for its religious inspiration or for the sheer power of its verse. In the second part of the epic, THE PURGATORIO, Dante climbs out of the pit of Hell with the guidance of the ancient Roman poet, Virgil, who then takes him on a journey up the mountain of Purgatory. Here we find the souls of those who died in sin, but whose transgressions have not placed them irredeemably beyond the saving grace of God's mercy. Sooner or later, they WILL reach Heaven. A first-rate English-language rendition of a classic of western literature.

Robert Durling's spirited new prose translation of the Paradiso completes his masterful rendering of the Divine Comedy. Durling's earlier translations of the Inferno and the Purgatorio garnered high praise, and with this superb version of the Paradiso readers can now traverse the entirety of Dante's epic poem of spiritual ascent with the guidance of one of the greatest living Italian-to-English translators. Reunited with his beloved Beatrice in the Purgatorio, in the Paradiso the poet-narrator journeys with her through the heavenly spheres and comes to know "the state of blessed souls after death." As with the previous volumes, the original Italian and its English translation appear on facing pages. Readers will be drawn to Durling's precise and vivid prose, which captures Dante's extraordinary range of expression--from the high style of divine revelation to colloquial speech, lyrical interludes, and scornful diatribes against corrupt clergy. This edition boasts several unique features. Durling's introduction explores the chief interpretive issues surrounding the Paradiso, including the nature of its allegories, the status in the poem of Dante's human body, and his relation to the mystical tradition. The notes at the end of each canto provide detailed commentary on historical, theological, and literary allusions, and unravel the obscurity and difficulties of Dante's ambitious style. An unusual feature is the inclusion of the text, translation, and commentary on one of Dante's chief models, the famous cosmological poem by Boethius that ends the third book of his Consolation of Philosophy. A substantial section of Additional Notes discusses myths, symbols, and themes that figure in all three cantiche of Dante's masterpiece. Finally, the volume includes a set of indexes that is unique in American editions, including Proper Names Discussed in the Notes (with thorough subheadings concerning related themes), Passages Cited in the Notes, and Words Discussed in the Notes, as well as an Index of Proper Names in the text and translation. Like the previous volumes, this final volume includes a rich series of illustrations by Robert Turner.

The "Divine Comedy" was entitled by Dante himself merely "Commedia," meaning a poetic composition in a style intermediate between the sustained nobility of tragedy, and the popular tone of elegy. The word had no dramatic implication at that time, though it did involve a happy ending. The poem is the narrative of a journey down through Hell, up the mountain of Purgatory, and through the revolving heavens into the presence of God. In this aspect it belongs to the two familiar medieval literary types of the Journey and the Vision. It is also an allegory, representing under the symbolism of the

stages and experiences of the journey, the history of a human soul, painfully struggling from sin through purification to the Beatific Vision. Contained in this volume is the second part of the "Divine Comedy," the "Purgatorio" or "Purgatory," from the translation of Charles Eliot Norton.

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

An invaluable source of pleasure to those English readers who wish to read this great medieval classic with true understanding, Sinclair's three-volume prose translation of Dante's Divine Comedy provides both the original Italian text and the Sinclair translation, arranged on facing pages, and commentaries, appearing after each canto, which serve as brilliant examples of genuine literary criticism. This volume contains the complete translation of Dante's Purgatorio.

This Everyman's Library edition—containing in one volume all three cantos, Inferno, Purgatorio, and Paradiso—includes an introduction by Nobel Prize-winning poet Eugenio Montale, a chronology, notes, and a bibliography. Also included are forty-two drawings selected from Botticelli's marvelous late-fifteenth-century series of illustrations. Translated in this edition by Allen Mandelbaum, The Divine Comedy begins in a shadowed forest on Good Friday in the year 1300. It proceeds on a journey that, in its intense recreation of the depths and the heights of human experience, has become the key with which Western civilization has sought to unlock the mystery of its own identity. Mandelbaum's astonishingly Dantean translation, which captures so much of the life of the original, renders whole for us the masterpiece of that genius whom our greatest poets have recognized as a central model for all poets.

The second volume of Dante's Divine Comedy Beginning with Dante's liberation from Hell, Purgatory relates his ascent, accompanied by Virgil, of the Mount of Purgatory - a mountain of nine levels, formed from rock forced upwards when God threw Satan into depths of the earth. As he travels through the first seven levels, Dante observes the sinners who are waiting for their release into Paradise, and through these encounters he is himself transformed into a stronger and better man. For it is only when he has learned from each of these levels that he can ascend to the gateway to Heaven: the Garden of Eden. The second part of one of the greatest epic poems, Purgatory is an enthralling Christian allegory of sin, redemption and ultimate enlightenment. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Divine Comedy is one of the greatest works of world literature. The poem's imaginative vision of the afterlife is representative of the medieval world-view. The narrative describes Dante's travels through Hell, Purgatory, and Paradise or Heaven, while allegorically the poem represents the soul's journey towards God.
