Dyslexia is a common learning difficulty that can cause problems with reading, writing and spelling. It's a specific learning difficulty, which means it causes problems with certain abilities used for learning, such as reading and writing. Unlike a learning disability, intelligence isn't affected. It's estimated up to 1 in every 10 people in the UK has some degree of dyslexia.

The Language Experience Method of teaching reading is grounded in personalized learning where the words taught are different for every child. The idea is that learning words that the child is already familiar with will be easier. Teachers and parents can then create unique stories that use a child's preferred words in different configurations.
