Handy study guides summarize key grammar points for first and second year Spanish or third and fourth year Spanish. Each two-page guide in packs of 35. A great fundraiser!

¡Qué chévere! is an engaging program that develops students' communication skills by providing ample speaking and writing practice in contextualized situations, working with partners and in groups.

This text blends traditional introductory physics topics with an emphasis on human applications and an expanded coverage of modern physics topics, such as the existence of atoms and the conversion of mass into energy. Topical coverage is combined with the author's lively, conversational writing style, innovative features, the direct and clear manner of presentation, and the emphasis on problem solving and practical applications.

Algebra is tough. We think all kids say that so we came up with a workbook that targets learners from Grades 6-8. The purpose of this workbook is to challenge a student's understanding of algebra by using age-appropriate examples. Encourage your child to use this book as a reviewer or as an introduction to the subject. So what are you waiting for? Secure a copy today!

It takes imagination to create something that is meaningful and to do it you need an inspiring creative brief. We know, however, that writing a brief is a challenge. A good one not only clearly sets out business objectives, potential strategy, and target audience insights, it also, just as importantly, inspires people. It's a daunting task, because when writing a brief, you know you are directly influencing the campaign's potential. This book therefore has two objectives: To facilitate collaboration between business-minded people and creative people, so that a stimulating brief is written, inspiring those responsible for producing a great campaign. To help ensure that the brief is clear, informative and has well-defined objectives.
