Their enticing names echo London's rural past – the Crane, the Darent, the Mutton Brook, the Pool River – or carry a whiff of the exotic – the Ching, the Moselle, the Quaggy, the Silk Stream. These rivers go about their business forgotten in the background and their banks so built up that they can be easily mistaken for canals or drains but many more inner London waterways have been deliberately hidden.

My name is Peter Grant and until January I was just another probationary constable in the Metropolitan Police Service. My only concerns in life were how to avoid a transfer to the Case Progression Unit and finding a way to climb into the panties of WPC Leslie May. Then one night, I tried to take a statement from a man who was already dead.

The Sunday Times bestselling novel now comes with an extra brand new story that has P/C Peter Grant investigating the ghosts of another era, another London, another games. My name is Peter Grant and until January I was just probationary constable in that mighty army for justice known to all right-thinking people as the Metropolitan Police Service (and as the Filth to everybody else). Then one night, in pursuance of a murder inquiry, I tried to take a witness statement from someone who was dead but disturbingly voluable, and that brought me to the attention of Inspector Nightingale, the last wizard in England. Now I'm a Detective Constable and a trainee wizard, the first apprentice in fifty years, and my world has become somewhat more complicated: nests of vampires in Purley, negotiating a truce between the warring god and goddess of the Thames, and digging up graves in Covent Garden . . . and there's something festering at the heart of the city I love, a malicious vengeful spirit that takes ordinary Londoners and twists them into grotesque mannequins to act out its drama of violence and despair. The spirit of riot and rebellion has awakened in the city, and it's falling to me to bring order out of chaos - or die trying.

"Midnight Riot is what would happen if Harry Potter grew up and joined the Fuzz. It is a hilarious, keenly imagined caper."—Diana Gabaldon Probationary Constable Peter Grant dreams of being a detective in London’s Metropolitan Police. Too bad his superior plans to assign him to the Case Progression Unit, where the biggest threat he’ll face is a paper cut. But Peter’s prospects change in the aftermath of a puzzling murder, when he gains exclusive information from an eyewitness who happens to be a ghost. Peter’s ability to speak with the lingering dead brings him to the attention of Detective Chief Inspector Thomas Nightingale, who investigates crimes involving magic and other manifestations of the uncanny. Now, as a wave of brutal and bizarre murders engulfs the city, Peter is plunged into a world where gods and goddesses mingle with mortals and a long-dead evil is making a comeback on a rising tide of magic. "Filled with detail and imagination . . . Aaronovitch is a name to watch."—Peter F. Hamilton "Fresh, original, and a wonderful read . . . I loved it."—Charlaine Harris

Peter Grant, having become the first English apprentice wizard in fifty years, must immediately deal with two different but ultimately inter-related cases. In one he must find what is possessing ordinary people and turning them into vicious killers, and in the second he must broker a peace between the two warring gods of the River Thames.

There’s a disturbing new drug on the streets of London. An unusual and powerful weed, branded with a distinctive logo of a woman’s face covered in tattoos. With strange, vestigia-like side effects for the magically inclined, Detective Peter Grant and DCI Thomas Nightingale are on the case. Using the Thames as a handy link for delivering drugs to buyers might seem like a good idea, but two unfortunate dealers caught the attention of young water goddesses, namely Chelsea and Olympia, who used their powers to steal time for themselves (of course). But in doing so, they’ve provoked the anger of the mastermind behind the cartel. Having already apprehended her two unwitting goons in Bev’s back garden, our heroes are now in the firing line for her escalating campaign of revenge. p.p1 {margin: 0 0px 0 0px 0 0px; font: 12.0px Calibri} p.p2 {margin: 0 0px 0 0px 0 0px; font: 12.0px Calibri; min-height: 14.0px} p.p1 {margin: 0 0px 0 0px 0 0px; font: 12.0px Calibri} p.p2 {margin: 0 0px 0 0px 0 0px; font: 12.0px Calibri; min-height: 14.0px}
