Cet ebook est une version numérique du guide papier sans interactivité additionnelle. Oubliez les excès, les clichés et les plages bondées, les Baléares sont des îles pleines de charme, aux beautés contrastées et parfois discrètes. On y découvre encore des petits coins typiques, des paysages de carte postale, on y fait des rencontres authentiques qu'il serait dommage de rater... Vous trouverez dans le routard Baléares : une première partie haute en couleur avec des cartes et des photos, pour repérer plus facilement le pays dans son ensemble et nos coups de coeur ; des adresses souvent introuvables ailleurs ; des visites culturelles originales en dehors des sentiers battus ; des infos remises à jour chaque année puis des cartes et plans détaillés. Merci à tous les Routards qui partagent nos convictions : Liberté et indépendance d'esprit ; découverte et partage ; sincérité, tolérance et respect des autres !

Meditation and body expression or workshops to manage stress join hiking, cultural visits and other activities in the middle of nature to enjoy and rest.An "alternative" vacation can be the solution against stress, but also when a different experience in life is needed.Still unknown to many, alternative vacations are a great option to unwind while practicing yoga or learning music, and they are all the rage

International Cases in Tourism Management includes: * Profiles of individual companies * Case studies on destination management and marketing * Material on different management functions in tourism, such as marketing and human resource management * Case studies of particular types of tourism, such as ecotourism and cultural tourism The case studies are supplemented by exercises and questions, which ensure that for students and tutors alike the book is the ideal accompaniment to all tourism courses. * A wide-ranging collection of pertinent case studies from around the world. * An ideal companion volume for both tutors and students of tourism. * Simultaneous publication on www.businesscases.org, which means that tutors can refer their students to individual cases for purchase online.

This guidebook describes the GR221, a 140km (87 mile) long-distance trail through northwestern Mallorca, from Port d'Andratx to Pollenç a. Also known as the 'Ruta de Pedra en Sec' ('the Drystone Route'), the GR221 is a celebration of Mallorca's limestone heritage, taking in many historic drystone structures as it traverses the rocky peaks of the Serra de Tramuntana. Following old stone-paved paths and mule trails, it showcases the region's beautiful landscape of mountains, forests and cultivated terraces, as well as its spectacular coastline. The GR221 can be walked in 1-2 weeks, although the guide also covers 3 alternative start-points and 3 alternative finishes, which would allow for a shorter trek. The main route is presented in 10 stages of 8.5-20.5km (5-13 miles), with a handful of optional detours to bag neighbouring summits. Detailed route description is accompanied by 1:25,000 mapping and inspirational photography, plus a wealth of information on local points of interest. Accommodation and travel are also thoroughly covered: the trail boasts good transport links and plentiful facilities on route, with accommodation in welcoming mountain villages and the occasional 'refugi'. A comprehensive introduction offers the opportunity to discover more about the region's diverse plants and wildlife and unique history and culture, and an English-Spanish-Catalan glossary can be found in the appendix. With a favourable climate and stunning scenery, the Serra de Tramuntana has much to tempt the walker. The GR221 Drystone Route represents an ideal way to explore this fascinating World Heritage Site.

Lonely Planet Mallorca is your passport to the most relevant, up-to-date advice on what to see and skip, and what hidden discoveries await you. Take a scenic drive on the sinuous road to Sa Calobra, visit the isolated Platja des Coll Baix, or gaze in wonder at the Palma Cathedral; all with your trusted travel companion.
