The "Hands On" Manual for Cinematographers contains a wealth of information, theory, diagrams and tables on all aspects of cinematography. Widely recognised as the "Cinematographer's Bible" the book is organised in a unique manner for easy reference on location, and remains an essential component of the cameraman's box. Everything you need to know about cinematography can be found in this book - from camera choice, maintenance and threading diagrams; to electricity on location, equipment checklists, film stock, lenses, light and colour. Of particular use will be the mathematics, formulae, look up tables and step by step examples used for everything from imperial/metric conversions to electricity, exposure, film length, running times, lights and optics. Sections on special effects and utilities are also included as well as a list of useful websites. David Samuelson is a well known and respected cameraman who has been instrumental in fostering award winning new technical innovations. He is a technical consultant, lecturer and author of three other leading publications for Focal Press: The Panaflex User's Manual 2ED, Motion Picture Camera and Lighting Equipment and Motion Picture Camera Techniques.

Rated 'Outstanding' in the 2004 edition of University Press Books Selected for Public and Secondary School Libraries Samuel Crowl's Shakespeare at the Cineplex: The Kenneth Branagh Era is the first thorough exploration of the fifteen major Shakespeare films released since the surprising success of Kenneth Branagh's Henry V (1989). Crowl presents the rich variety of these films in the 'long decade' between the fall of the Berlin Wall and the terrorist attacks on September 11, 2001.' The productions range from Hollywood-saturated films such as Franco Zeffirelli's Hamlet and Michael Hoffman's A Midsummer Night's Dream to more modest, experimental offerings, such as Christine Edzard's As You Like It. Now available in paperback, Shakespeare at the Cineplex will be welcome reading for fans, students, and scholars of Shakespeare in performance.

Exposition of fourth dimension, concepts of relativity as Flatland characters continue adventures. Topics include curved space time as a higher dimension, special relativity, and shape of space-time. Includes 141 illustrations.

In the war against vampires, mankind has only one hope: The Dark-Hunters. Ancient warriors who died of brutal betrayal, the Dark-Hunters have sworn themselves into the service of the goddess Artemis to protect us. It's a pact with pretty good perks. Immortality, power, psychic abilities, wealth and a cool wardrobe. But it comes with a few drawbacks: fatal sun poisoning and a new, irreparable dental problem. But aside from the fangs and nocturnal lifestyle, it's not so bad. Until Kyrian meets the most frightening thing imaginable. An accountant who's being hunted by one of the most lethal vampires out there. If Amanda Devereaux goes down, so does he and no offense, he doesn't want to die (hence the whole immortality thing). And he doesn't want humanity dead either which is a good thing for us since he and Amanda are all that stands between us and oblivion. Let's hope they win. From the wild imagination of Sherrilyn Kenyon comes the humorous and suspenseful manga debut of the #1 internationally bestselling Dark-Hunter series. The world of manga will never be the same again.

A kidnapped psychologist. A murderous warden. There's more to this prison than meets the eye... Dr. Raine Walsh has a right to be paranoid. The expert psychologist has spent far too much time in the minds of the criminally disturbed, but that's no reason for her to be drugged and thrown into prison. Raine can't buy Lucy a reprieve from a strained mother/daughter relationship. After a twenty year absence, Lila's suddenly back in town. Lila says she's moved to James Bay to keep an eye out for her daughter Lucy... or is it Lucy's money that Lila has her eye on instead? When an auto accident forces mother and daughter together to live under one roof, even a luxurious 4,000 square foot condo seems like a tiny bungalow, and Lucy suddenly has her hands full with a whole new set of problems she never expected.

When sixteen-year-old Brooklyn native Cherokee Salamanca swaps lives with British teenager Sophie Pitt-Turnbull for the summer, she gets more than she bargains for as she tries to take London by storm. 15,000 first printing.

Mercedes Lackey's triumphant return to the best-selling world of Valdemar. Take a Thief reveals the untold story of Skif--a popular character from Lackey's first published novel, Arrows of the Queen. Skif was an orphan who would have died from malnutrition and exposure if he had never met Deke the pickpocket. By the time he was twelve, Skif was an accomplished cat burglar. But it wasn't until he decided to steal a finely tacked-out white horse, which was, oddly enough, standing unattended in the street, that this young thief discovered that the tables could turn on him--and that he himself could be stolen!

Winning the lottery: \$70 million Mending family relationships: Priceless When James Bay journalist Lucy Carter wins the lottery, good fortune seems guaranteed. But even \$70 million in cold hard cash can't help Lucy when it comes to dealing with some cold hard facts. No amount of money will buy back Grandma's mind nor buy Lucy a reprieve from a strained mother/daughter relationship. After a twenty year absence, Lila's suddenly back in town. Lila says she's moved to James Bay to keep an eye out for her daughter Lucy... or is it Lucy's money that Lila has her eye on instead? When an auto accident forces mother and daughter together to live under one roof, even a luxurious 4,000 square foot condo seems like a tiny bungalow, and Lucy suddenly has her hands full with a whole new set of problems she never expected.

AMAZON BREAKTHROUGH NOVEL AWARD QUARTER FINALIST 2011 Have you ever wondered what it would be like to walk through life in someone else's shoes? Strong-willed tomboy Harley LeBeau puts you in the boots her mother gave her, as she takes you along her journey of escape from an abusive childhood and the desire to find herself as she comes of age. Made to feel a burden to her father simply by her gender, Harley is determined to prove her worth and independence, leaving the small town she grew up in and the one boy who gave her a soft place to fall, Jeremiah Johnson. Torn between saving herself and abandoning her mother and younger sister, Harley chooses her own life in hopes they will choose theirs, too. A mature, candid read for everyone. A must for women. The Boots My Mother Gave Me explores the dynamics of abuse and dysfunction, the courage to overcome, the strength in sisterhood, and the ongoing conflict and unconditional love between mothers and daughters. Climb into Charlene the Chevelle for a fast-paced story about a girl who is tough enough to survive and tender enough to learn to trust in love. www.brooklyn-james.com

In recent years there has been an increased public and academic interest in the new activism within Turkish foreign policy and Turkey's search for a more ambitious role. This book represents a new outlook, perception and conceptualization on Turkish Foreign Policy and offers contributions from various experts in their fields. The volume includes over forty chapters that cover ten area-based analyses including Turkey's relations with the EU, the Middle East, Cyprus and the US, the Balkans, the Mediterranean, Central Asia, Latin America, the Far East and International Organizations.
