Options include Scania Opticruise, Scania Retarder and a selection of power take-offs. This gearbox offers similar advantages, together with an extra crawler ratio. Based on a 4-speed box, plus a planetary section, its strength is more than a match for the high-torque output of any Scania inline engine.

Specification | Scania Australia

Engine: Scania DC16 650, Euro 6, 16.4-litre, V8 turbo-diesel
