Introduction to the Science of Medical Imaging Illustrated Edition, Kindle Edition December 17, 2020 admin Revolutionary advances in imaging technology that provide high resolution, 3-D, non-invasive imaging of biological subjects have made biomedical imaging an essential tool in clinical medicine and biomedical research.

Disruptive leadership is a topic generating intense interest. Companies all over the world are trying to upend their industry through

innovative products and services. Becoming a disruptive organization, however, is easier said than done. Even more difficult is being a company that continually disrupts. Is it possible to discern a code for how companies can achieve this? In this highly readable and engaging book, a disruptive leadership framework is proposed in which caring deeply is placed at the center of the model. By turning care into a focal point, a triphasic model is proposed that moves from the personal sphere (individual), to the corporate arena (organizational), and then to the global stage (impact). Nine keys are identified along this path for how companies can realize organizational excellence. While care may seem like a soft concept in the rough and tumble world of business, it is argued how it is actually an inspired manner for providing direction, structure, and know-how that leads to powerful outcomes. Apple is profiled as a leading example of leveraging what is termed the technology of caring deeply. Other companies, such as Nike, IKEA, Zappos, Starbucks are also profiled. Finally, a leadership canvas is provided to help activate the lessons shared in the book.

Maps are essential to an explorer. Whether it is a short jaunt to a vacation spot or an in-depth search for higher meaning, maps can help you find and stay on the right path. In *From Gospels to Glory: Exploring the New Testament*, author Kenneth G. Hanna provides a guide for discovering the enduring message and unique features of each book of the New Testament. The course of human history was set in a new direction by the arrival of Jesus Christ in Bethlehem. The Gospels of the New Testament record that event and Jesus' ministry, climaxing in the cross and His resurrection. This new study guides you through the pivotal events of the life of Christ, the birth and spread of Christianity, and the life-shaping truth that formed the legacy Jesus committed to the first disciples. For pastors and teachers, it offers helpful ideas and outlines for proclaiming the message of the New Testament to a contemporary audience. For students of the New Testament, it provides a wealth of resources for further study. Thematic charts present a map of each book, including key verses, themes, structures, and unique features. Each book of the New Testament was written for a select audience and a specific purpose. *From Gospels to Glory: Exploring the New Testament* supplies essential background information that illuminates the message of each book to help you proceed on your journey of discovery.

From the creator of the beloved and universally acclaimed television series *BoJack Horseman*, a fabulously off-beat collection of short stories about love--the best and worst thing in the universe. Written with all the scathing dark humor that is a hallmark of *BoJack Horseman*, Raphael Bob-Waksberg's stories will make you laugh, weep, and shiver in uncomfortably delicious recognition. In "A Most Blessed and Auspicious Occasion," a young couple engaged to be married is forced to deal with interfering relatives dictating the appropriate number of ritual goat sacrifices for their wedding. "Missed Connection--m4w" is the tragicomic tale of a pair of lonely commuters eternally failing to make that longed-for contact. And in "More of the You That You Already Are," a struggling employee at a theme park of dead presidents finds that love can't be genetically modified. Equally at home with the surreal and the painfully relatable (and both at once), Bob-Waksberg delivers a killer combination of humor, romance, whimsy, cultural commentary, and crushing emotional vulnerability.

The legendary Baltimore Ravens linebacker assesses the state of football while recounting his troubled youth, his rise to athletic fame, and the allegations that threatened his NFL career.

A tormented, alcoholic priest is pursued by an idealistic lieutenant during an anti-clerical persecution in Mexico.

"A Glimpse of Glory is a wonderful testament to God's love and promises from one who experienced death-only reluctantly returning to life as we know it from the hereafter. The author wipes away the trepidation even Christians feel toward death and an inkling of what comes next while sharing his own humble beginnings, rugged upbringing and experiences. Rick East is the real deal and has a great message in his acceptance of Jesus Christ as his Lord and Savior and what he believes God wants him to share with as many as possible. This story is first rate with a vivid emotional impact and obviously has God's blessing." -Nick Weyland, fellow author and Christian brother A Glimpse of Glory
A mysterious illness caused Rick East to lapse into respiratory failure the afternoon of December 25, 2012. Rick discovered his spirit was in heaven and was being coached by the Holy Spirit. Rick saw the city of heaven and had many conversations with the Holy Spirit. The Holy Spirit answered questions that have puzzled Christians for years.
