Sethji is the head of the ABSP, a crucial coalition partner in the government. Shrewd, ruthless and an inveterate fighter, he is a man who refuses to play by any moral codes or lose a single battle. Easing his way is Amrita, his ravishing and aloof daughter-in-law who guards her own secrets. But when two of the country’s most powerful men team up to challenge Sethji, the wily old politician has to fight the deadliest battle of his life—a battle in which he must stake everything. The one person he is forced to trust is Amrita, a woman who gives nothing away, not even to Sethji. Exposing the dark, venal heart of Indian politics, Sethji is an absolutely unputdownable novel about ambition, greed—and above all trust.

Gobar, a boy in a Himalayan village, has to fulfill his martyred father's dream of making him an army officer. But his mother dies, he suffers at the hands of village bullies and flees to Delhi. After many ups and downs, Gobar is adopted by an underworld don. He starts a flourishing estate business. As Gobar's dream project is about to complete, an honest officer in the city planning office orders demolition of its top floors. That makes Gobar [now a mighty Dhan-saab] extremely revengeful, and he plots to bring a painful end to the officer's life. The final action against the officer takes place, but does it fulfill Gobar’s childhood dream?

The return of India's raciest storyteller . . . Sethji is the head of the ABSP, a crucial coalition partner in the government. Shrewd, ruthless and an inveterate fighter, he is a man who refuses to play by any moral codes or lose a single battle. Easing his way is Amrita, his ravishing, ambitious and aloof daughter-in-law who guards her own secrets. But when two of the country's most powerful men team up to challenge Sethji, the wily old politician has to fight the deadliest battle of his life – a battle in which he must stake everything. The one person he is forced to trust is Amrita, a woman who gives nothing away, not even to Sethji. Exposing the dark, venal heart of Indian politics, Sethji is a powerful novel about ambition, greed – and above all trust. It will do to politics what Starry Nights did to Bollywood, laying bare Delhi’s fixers and politicians and the ugly machinations that drive India’s biggest players. Returning to fiction after a decade, Shobhaa Dé has created an unforgettable character, a man who is indomitable and powerful and will stay with you long after the book ends. Gripping, revelatory and absolutely unputdownable, this is Dé at her dazzling best. Note: This book is in the Hindi language and has been made available for the Kindle, Kindle Fire HD, Kindle Paperwhite, iPhone and iPad, and for iOS, Windows Phone and Android devices.

Bound to a naval officer in a loveless marriage, Pauline Wainwright comes to India against her will and finds herself thrust into the turmoil that surrounds a remote English outpost threatened by the Bengal Army. In her adopted land, during forays into the idyllic countryside, between encounters with wild animals, amid chaos of war preparations, Pauline strangely finds peace. She makes several friends and wins the admiration and love of two strong men. As their military situation deteriorates, the three draw strength from one another and throw themselves into a mad scramble to avert a terrible catastrophe.Heroic efforts to defend the garrison and acts of incredible bravery are counterpointed by squabbles, spineless direction, and ultimate desertion by the fort's leadership. Misfortune after misfortune haunt the survivors. Still the fortress holds, inspired by memories of an England which they may never see again.The climax of A Flight of Green Parrots occurs in a suffocating dungeon where Pauline desperately attempts to save her men and a hundred others from a fate history only knows as the Black Hole of Calcutta.

Anything Goes is an unusual and a hilarious collection of short stories by the author Martin Dec Haynes F.R.C.S. who is also a poet, a surgeon, golfer, philatelist and humorist. Because of the author’s vast working experience lots of his stories have a medical theme, but you can rest assured that, coming from Haynes, they are not run-of-the-mill, nay rather they are extremely esoteric and virtually beyond belief. Near the end of the book the writing style takes a detour and a few yarns are narrated as if by idiot types who misspell words, or some of the words are written as they are pronounced, adding greatly to the farcical effect. The last story is about a young man who leaves his wife behind in The Islands, and goes to London to study medicine successfully; then he divorces his island-wife from a distance and takes a spanking new English wife. He is now about to return to his native island but his grandfather is waiting at the airport with a shotgun to blow out his brains. Fortunately, other family members are able to avert the disaster. All in all the collection is a riproaring read.

WHAT HAPPENS WHEN LOVE AND DESTINY COME TO LOGGERHEADS? Love on 3 Wheels is a saga of love, lust, aspirations and trickery that unfolds over a period of three days, propelling those in its midst into an unmindful frenzy. Sargam A young and ambitious girl misplaces a parcel purportedly containing a large amount of cash. This sets off a turn of events that are certain to leave their imprint on the lives of many. Sharib Sheikh An auto rickshaw driver whose fault is that he fell in love with the wrong person at the wrong time. Dr. Abhigyan Kukreti A prominent doctor who has more skeletons in his personal closet than a mid-size cemetery. Ameena A simple village girl who, like Sharib, finds herself at the wrong end of love. Junaid A swindler with his heart in the right place. A Real Love Story that’s bound to make your heart skip more than a beat!

On the lives and teachings of Swami Advait Anand, 1846-1919, founder of the Paramhans Advait Mat (Hindu sect) and of other leaders of the order.

The emergence of periodicals in Hindi for women and girls in early-twentieth-century India helped shape the nationalist-feminist thought in the country. Analysing the format and structure of periodical literature, Shobna Nijhawan shows how it became a medium for elite and middle-class women to think in new idioms and express themselves collectively at a time of social transition and political emancipation. With case studies of Hindi women's periodicals including Stri Darpan, Grihalakshmi, and Arya Mahila, and explorations of Hindi girls' periodicals like Kumari Darpan and Kanya Manoranjan, the study brings to light the nationalist demand for home rule for women. Discussing domesticity, political emancipation, and language politics, Shobna argues that women's periodicals instigated change and were not mere witnesses. With a perceptive Introduction setting the context, the work showcases rare archival material: advice texts, advertisements and book reviews, and multiple narratives specifically meant for women and girls of early twentieth-century north India.

A charming, heartbreaking and beautifully evocative novel about fate, friendship and family Every day in the vast and vibrant city of Bombay, thousands of dabbawalla delivery-men transport hundreds of thousands of freshly prepared lunches in tiffin boxes, straight from workers' homes and into their offices. Even though the city is a maze of streets, and the tiffins carry a delivery code only dabbawallas can understand, no lunch ever gets lost. Well, almost never... When a secret note placed in a tiffin box goes astray, the consequences for a young boy are devastating. Separated from his mother and forced to work as a slave in a café, Kunal is sure that if he could just find his family, his life and his fortunes would change forever. Recruiting the help of a dabbawalla friend, Kunal vows to find his mother - and it seems the answer may lie with the tiffins once more. If a lost note was the beginning of his destiny, can he use another to change it?
