"In adolescence we feel our losses as if for the first time, with a greater depth of pain and drama than we are aware of having experienced ever before," says James Howe in his introduction to this stunning collection of short stories in which some of today's most celebrated authors of fiction for young adults explore the many faces of loss - the common thread they share and the hope that is born through change. You're Not a Winner Unless Your Picture's in the Paper • Avi Red Seven • C.b. Christiansen Enchanted Night • James Howe Atomic Blue Pieces • Angela Johnson Summer of Love • Annette Curtis Klause The Tin Butterfly • Norma Fox Mazer Season's End • Walter Dean Myers Shoofly Pie • Naomi Shihab Nye The Fire Pond • Michael J. Rosen What Are You Good At? • Roderick Townley Chair • Virginia Euwer Wolff The Rialto • Jacqueline Woodson and Chris Lynch

While working in her mother's beauty shop where all the best town's gossip flies free, Rosemary Goode becomes determined to lose the weight that seems to be an all too common topic and starts keeping a

journal to record the year-long experience in achieving her goals, her relationships with others, and her feelings about life in her tight-knit Southern community.

The author recalls his childhood in Fresno, California, in the 1950s and 1960s, recreating the sights, sounds, and smells of his experience in a working-class Mexican-American community.

This collection of 12 stories by some of today's most celebrated authors of teen fiction explores the many facets of loss, the common thread they share, and of the hope born through change. Includes stories by Avi, James Howe, Walter Dean Myers, Jacqueline Woodson, and others.

James Stewart's CALCULUS texts are widely renowned for their mathematical precision and accuracy, clarity of exposition, and outstanding examples and problem sets. Millions of students worldwide have explored calculus through Stewart's trademark style, while instructors have turned to his approach time and time again. In the Seventh Edition of SINGLE VARIABLE CALCULUS, Stewart continues to set the standard for the course while adding carefully revised content. The patient explanations, superb exercises, focus on problem solving, and carefully graded problem sets that have made Stewart's texts best-sellers continue to provide a strong foundation for the Seventh Edition. From the most unprepared student to the most mathematically gifted, Stewart's writing and presentation serve to enhance understanding and build confidence.
