Lo Deio Todo Si t ú me dices "ven", lo dejo todo. Eso dice la canci ó n, y eso sigue Sa repitiendo el coraz ó n humano, cada vez que se enamora: promete dejarlo todo, para siempre, y ser fiel en la salud y en la enfermedad... "hasta que la muerte nos separe". Pero hoy, Page 11/29

A funny and uplifting fable about the journey to learn who we are, from the bestselling author of The Yellow World Dani has devoted his life to finding missing children. One day, as Page 13/29

his girlfriend starts packing her bags to leave him, he gets a phone call from a distraught father asking for help. It's a strange case, one that Dani wouldn't usually take on. But, when he hears his girlfriend slam the front door, and his apartment falls into silence, he realizes it's one he can't turn down. Page 14/29

His journey to find the lost boy takes Dani over the seas to the sleepy Italian island of Capri a place infused with a kind of hazy magic, which begins to conjure up in Dani's mind longforgotten memories of his own childhood. And. as he starts to unravel the story of his own life. he realises that he is not just on a quest to save Page 15/29

the missing child - he is also on a quest to save himself. Quirky, warmhearted, and honest, this is an uplifting parable of memory and forgiveness, as a man makes a life-changing journey across an island and into his own heart. Told in simple, emotionally-honest prose, it reveals how, by revisiting the past, we

immediate congeniality around him, for shifting people's moods toward the positive and for reconciling them with themselves and the world, when needed. Reviews: « Albert Espinosa lives exclusively in his imagination. He uses it to write, to direct plays and films and to act. His sense of humour is as Page 20/29

special as his way of living. An optimism as contagious as a cold. » Teresa Cendr ó s, El Peri ó dico « If there's one ability Espinosa has had in all of his multifactorial creations it's his capacity to stand in other people's shoes. Empathy is his strength. » N ú ria Escur, La Vanguardia « Speaking with Albert Page 21/29

teaches me many new things, such as "it is not sad to die" and that what is sad is not living, not to live it all (...). He knows what he's talking about and knows how to tell it, and that's why his works help us to live. » V í ctor M. Amela, La Vanguardia « Espinosa says what he thinks and feels, taking out any feeling from his closet in

the same manner he sticks out his leg. He knows he is alive because of a miracle and that life is a short 105a miracle. How I like this guy. His life, his theatre, his gambles, humour and his courage. There's no one else like him » Marcos Ord ó ñ ez, El País « A militant of life, an engineer of art. » Elena Pita, El Page 23/29
