has become the kitchen bible, with more than 20 million copies in print. This new edition of Joy has been thoroughly revised and expanded by Irma's great-grandson John Becker and his wife, Megan Scott. John and Megan developed more than six hundred new recipes for this edition, tested and tweaked thousands of classic recipes, and updated every section of every chapter to reflect the latest ingredients and techniques available to today's home cooks. Their strategy for revising this edition was the same one Irma and Marion employed: Vet, research, and improve Joy's coverage of legacy recipes
