Read Free Slow Way Home Michael Morris

Michael Morris is an award-winning novelist and a writer's writer. His descriptions of growing up Southern are spellbinding. The first chapter where Brandon, the narrator, is bullied by his mother's sadistic boyfriend is as terrifying as it is compelling and when his grandparents have to leave their farm forever to keep him safe, it's heartbreaking.

Slow Way Home by Michael Morris - Goodreads

Michael's latest novel, *Slow Way Home*, will be released by Harper Collins on September 23 and his work can be seen in the southern anthology *Stories From The Blue Moon Café II*. Michael and his...

Amazon.com: Slow Way Home (Audible Audio Edition): Michael ...

Slow Way Home is really a nice read. Light, easy, sweet in spots, slice of life story and interesting. It is an important fiction since it deals with the issue of an absent parent, grandparents raising a young boy, a parent who has a wilder lifestyle - not necessarily conducive to raising a child, and legal issues.

In Slow Way Home, Mike Morris brings to life the main character, Brandon Willard, an eight-year-old whose story reminds us that life is a series of deaths and resurrections -until we finally find our way home. Brandon's early years are spent in the hell of his mother's adulteries and addictions. When she abandons him to chase her

On the surface, Brandon Willard seems like your average eight-year-old boy. He loves his mama, peanut butter and jelly sandwiches, and G. I. Joe. But Brandon's life is anything but typical. Wise beyond his years, Brandon understands he's the only one in this world he can count on. It's an outlook that serves him well the day

Read Free Slow Way Home Michael Morris

his mama leaves him behind at the Raleigh bus station and sets off to Canada with "her destiny" -- the latest man that she hopes will bring her happiness. The day his mother leaves, Brandon takes the first step toward shaping his own destiny. Soon he sends himself spending pleasant days playing with his cousins on his grandparents' farm and trying to forget the past. In the safety of that place, Brandon finally is able to trust the love of an adult to help iron out the wiry places until his nerves are as steady as any other boy's. But when Sophie Willard shows up a year later with a determined look in her eye and a new man in tow, Brandon's grandparents ignore a judge's ruling and flee the state with Brandon. Creating a new life and identity in a small Florida town, Brandon meets the people who will fill him with self-worth and self-respect. He slowly becomes involved with "God's Hospital," a church run by the gregarious Sister Delores, a woman who is committed to a life of service for all members of the community, black and white, regardless of some townsfolk's disapproval.

"He's a gambler at best. A con artist at worst," her aunt had said of the handlebar-mustached man who snatched Ella Wallace away from her dreams of studying art in France. Eighteen years later, that man has disappeared, leaving Ella alone and struggling to support her three sons. While the world is embroiled in World War I, Ella fights her own personal battle to keep the mystical Florida land that has been in her family for generations from the hands of an unscrupulous banker. When a mysterious man arrives at Ella's door in an unconventional way, he convinces her

Read Free Slow Way Home Michael Morris

he can help her avoid foreclosure, and a tenuous trust begins. But as the fight for Ella's land intensifies, it becomes evident that things are not as they appear. Hypocrisy and murder soon shake the coastal town of Apalachicola and jeopardize Ella's family.

Erma Lee is on the run . . . Running from an abusive husband . . . running from a mother who doesn't care -- never cared. Running from a soul-numbing factory job that has held her down her entire life ... Erma Lee and her granddaughter, Cher, flee to the town of Wiregrass, Alabama, to escape the past and start over -- or so Erma Lee thinks. Erma Lee forms an unlikely friendship with Miss Claudia, an elderly socialite who is hiding a few details about her own past. Life in Wiregrass is different for Erma Lee and Cher, for here they find mercy and promise -- until, that is, the day Cher's convict father arrives in town, forcing all three women to come to terms with buried secrets.

Live Like You Were Dying is the unforgettable story inspired by Tim McGraw's #1 Country Music song of the same name. It weaves a tale of the miracles that happen once you stop being so busy with life that you actually have time to live it. Millions have embraced the song's lyrics. Now experience the inspirational story that will touch your heart and soul.

fierce teen game developer as she battles a real-life troll intent on ruining the Black Panther-inspired video game she created and the safe community it represents for Black gamers. By day, seventeen-year-old Kiera Johnson is an honors student, a math tutor, and one of the only Black kids at Jefferson Academy. But at home, she joins hundreds of thousands of Black gamers who duel worldwide as Nubian personas in the secret multiplayer online role-playing card game, SLAY. No one knows Kiera is the game developer, not her friends, her family, not even her boyfriend, Malcolm, who believes video games are partially responsible for the “downfall of the Black man.” But when a teen in Kansas City is murdered over a dispute in the SLAY world, news of the game reaches mainstream media, and SLAY is labeled a racist, exclusionist, violent hub for thugs and criminals. Even worse, an anonymous troll infiltrates the game, threatening to sue Kiera for “anti-white discrimination.” Driven to save the only world in which she can be herself, Kiera must preserve her secret identity and harness what it means to be unapologetically Black in a world intimidated by Blackness. But can she protect her game without losing herself in the process?

A chilling fable about a family marooned in a snowbound town whose grievous history intrudes on the dreamlike present. The Addisons-Julia and Tonio, ten-year-old Dewey, and derelict Uncle Robbie-are driving home, cross-country, after collecting Robbie from yet another trip to rehab. When a terrifying blizzard strikes outside the town of Good Night, Idaho, they seek refuge in the town at the

Read Free *Slow Way Home* Michael Morris

Travelers Rest, a formerly opulent but now crumbling and eerie hotel where the physical laws of the universe are bent. Once inside the hotel, the family is separated. As Julia and Tonio drift through the maze of the hotel's spectral interiors, struggling to make sense of the building's alluring powers, Dewey ventures outward to a secret-filled diner across the street. Meanwhile, a desperate Robbie quickly succumbs to his old vices, drifting ever further from the ones who love him most. With each passing hour, dreams and memories blur, tearing a hole in the fabric of our perceived reality and leaving the Addisons in a ceaseless search for one another. At each turn a mysterious force prevents them from reuniting, until at last Julia is faced with an impossible choice. Can this mother save her family from the fate of becoming Souvenirs—those citizens trapped forever in magnetic Good Night—or, worse, from disappearing entirely? With the fearsome intensity of a ghost story, the magical spark of a fairy tale, and the emotional depth of the finest family sagas, Keith Lee Morris takes us on a journey beyond the realm of the known. Featuring prose as dizzyingly beautiful as the mystical world Morris creates, *Travelers Rest* is both a mind-altering meditation on the nature of consciousness and a heartbreaking story of a family on the brink of survival.

A group of women, the jin-shei sisterhood, form a uniquely powerful circle that transcends class and social custom. They are bound together by a declaration of loyalty that transcends all other vows, even those with the gods, by their own secret language, passed from mother to daughter, by the knowledge that some of

Read Free *Slow Way Home* Michael Morris

them will have to pay the ultimate sacrifice to enable others to fulfill their destiny. The sisterhood we meet run from the Emperor's sister to the street-beggar, from the trainee warrior in the Emperor's Guard to the apprentice healer, from the artist to the traveller-girl, herself an illegitimate daughter of an emperor and seen as a threat to the throne. And as one of them becomes Dragon Empress, her determination to hold power against the sages of the temple, against the marauding forces from other kingdoms, drags the sisterhood into a dangerous world of court intrigue, plot and counterplot, and brings them into conflict with each other from which only the one who remains true to all the vows she made at the very beginning to the dying Princess Empress can rescue them. An amazing and unusual book, based on some historical fact, full of drama, adventure and conflict like a Shakespearean history play, it's a novel about kinship and a society of women, of mysticism, jealousy, fate, destiny, all set in the wonderful, swirling background of Syai, a fantasy kingdom inspired by Imperial China.

Why does the West rule? In this magnum opus, eminent Stanford polymath Ian Morris answers this provocative question, drawing on 50,000 years of history, archeology, and the methods of social science, to make sense of when, how, and why the paths of development differed in the East and West — and what this portends for the 21st century. There are two broad schools of thought on why the West rules. Proponents of "Long-Term Lock-In" theories such as Jared Diamond suggest that from time immemorial, some critical factor — geography, climate, or

Read Free Slow Way Home Michael Morris

culture perhaps — made East and West unalterably different, and determined that the industrial revolution would happen in the West and push it further ahead of the East. But the East led the West between 500 and 1600, so this development can't have been inevitable; and so proponents of "Short-Term Accident" theories argue that Western rule was a temporary aberration that is now coming to an end, with Japan, China, and India resuming their rightful places on the world stage. However, as the West led for 9,000 of the previous 10,000 years, it wasn't just a temporary aberration. So, if we want to know why the West rules, we need a whole new theory. Ian Morris, boldly entering the turf of Jared Diamond and Niall Ferguson, provides the broader approach that is necessary, combining the textual historian's focus on context, the anthropological archaeologist's awareness of the deep past, and the social scientist's comparative methods to make sense of the past, present, and future — in a way no one has ever done before.
