Jon Sutcliffe Majenta PLM / Paul Abbott Siemens Solid Edge ST8

The story of the UK Solid Edge reseller Majenta PLM and the DAX Cobra 427 covers a lot of ground in the mechanical design technology realm. The story is interesting because it uses technology in a way that should encourage those who have been reluctant to start using advanced design tools, and it also showcases some technology that has come a long way in recent years.

Majenta Drives Dax Cobra Development with Solid Edge ...
