seemed to improve I decided to find out what the problem was. Essentially, intermediate students get stuck because learning at this stage is a different type of learning than at the beginner stage. So by having fun and reading something interesting you will be learning naturally rather than having to force yourself to study. It ' s a simple fact that if you are having fun you will learn quicker and more easily. This series of books is an excellent way to be exposed to ' real everyday English phrases ' but with the guidance of clear explanations and examples in simple English. Basically it uses simple language to introduce more complex phrases so you are eased into a more advanced level. All of the

phrases in this book are in common use and are the key to unlocking fluency. I have only included phrases which I have heard recently in conversation or on the radio or television.
