An essential guide to understanding the dynamics of a startup's board of directors Let's face it, as founders and entrepreneurs, you have a lot on your plate-getting to your minimum viable product, developing customer interaction, hiring team members, and managing the accounts/books. Sooner or later, you have a board of directors, three to five (or even seven) Type A personalities who seek your attention and at times will tell you what to do. While you might be hesitant to form a board, establishing an objective outside group is essential for startups, especially to keep you on track, call you out when you flail, and in some cases, save you from yourself. In Startup Boards, Brad Feld-a Boulder, Colorado-based entrepreneur turned-venture capitalist-shares his experience in this area by talking about the importance of having the right board members on your team and how to manage them well. Along the way, he shares valuable insights on various aspects of the board, including how they can support you, help you understand your startup's milestones and get to them faster, and hold you accountable. Details the process of choosing board members, including interviewing many people, checking references, and remembering that there should be no fear in rejecting a wrong fit Explores the importance of running great meetings, mixing social time with business time, and much more Recommends being a board member yourself at some other organization so you see the other side of the equation Engaging and informative, Startup Boards is a practical guide to one of the most important pieces of the startup puzzle.

You're only a startup CEO once. Do it well with Startup CEO, a "master class in building a business." -Dick Costolo, Former CEO, Twitter Being a startup CEO is a job like no other: it's difficult, risky, stressful, lonely, and often learned through trial and error. As a startup CEO seeing things for the first time, you're likely to make mistakes, fail, get things wrong, and feel like you don't have any control over outcomes. Author Matt Blumberg has been there, and in Startup CEO he shares his experience, mistakes, and lessons learned as he guided Return Path from a handful of employees and no revenues to over \$100 million in revenues and 500 employees. Startup CEO is not a memoir of Return Path's 20-year journey but a thoughtful CEO-focused book that provides first-time CEOs with advice, tools, and approaches for the situations that startup CEOs will face. You'll learn: How to tell your story to new hires, investors, and customers for greater alignment How to create a values-based culture for speed and engagement How to create business and personal operating systems so that you can balance your life and grow your company at the same time How to develop, lead, and leverage your board of directors for greater impact How to ensure that your company is bought, not sold, when you exit Startup CEO is the field guide every CEO needs throughout the growth of their company.

Real life insights on what it takes to make it in a relationship with an entrepreneur Entrepreneurs are always on the go, looking for the next "startup" challenge. And while they lead very intensely rewarding lives, time is always short and relationships are often long-distant and stressed because of extended periods apart. Coping with these, and other obstacles, are critical if an entrepreneur and their partner intend on staying together-and staying happy. In Startup Life, Brad Feld-a Boulder, Colorado-based entrepreneur turned-venture capitalist-shares his own personal experiences with his wife Amy, offering a series of rich insights into successfully leading a balanced life as a human being who wants to play as hard as he works and who wants to be as fulfilled in life and in work. With this book, Feld distills his twenty years of experience in this field to addresses how the village of startup people can put aside their workaholic ways and lead rewarding lives in all respects. Includes real-life examples of entrepreneurial couples who have had successful relationships and what works for them Provides practical advice for adapting to change and overcoming the inevitable ups and downs associated with the entrepreneurial lifestyle Written by Brad Feld, a thought-leader in this field who has been an early-stage investor and successful entrepreneur for more than twenty years While there's no "secret formula" to relationship success in the world of the entrepreneur, there are ways to making navigation of this territory easier. Startup Life is a well-rounded guide that has the insights and advice you need to succeed in both your personal and business life.

An engaging guide to excelling in today's venture capital arena Beginning in 2005, Brad Feld and Jason Mendelson, managing directors at Foundry Group, wrote a long series of blog posts describing all the parts of a typical venture capital Term Sheet: a document which outlines key financial and other terms of a proposed investment. Since this time, they've seen the series used as the basis for a number of college courses, and have been thanked by thousands of people who have used the information to gain a better understanding of the venture capital field. Drawn from the past work Feld and Mendelson have written about in their blog and augmented with newer material, Venture Capital Financings puts this discipline in perspective and lays out the strategies that allow entrepreneurs to excel in their start-up companies. Page by page, this book discusses all facets of the venture capital fundraising process. Along the way, Feld and Mendelson touch on everything from how valuations are set to what externalities venture capitalists face that factor into entrepreneurs' businesses. Includes a breakdown analysis of the mechanics of a Term Sheet and the tactics needed to negotiate Details the different stages of the venture capital process, from starting a venture and seeing it through to the later stages Explores the entire venture capital ecosystem including those who invest in venture capitalist Contain standard documents that are used in these transactions Written by two highly regarded experts in the world of venture capital The venture capital arena is a complex and competitive place, but with this book as your guide, you'll discover what it takes to make your way through it.

Practical advice from some of today's top early stage investors and entrepreneurs TechStars is a mentorship-driven startup accelerator with operations in three U.S. cities. Once a year in each city, it funds about ten Internet startups with a small amount of capital and surrounds them with around fifty top Internet entrepreneurs and investors. Historically, about seventy-five percent of the companies that go through TechStars raise a meaningful amount of angel or venture capital. Do More Faster: TechStars Lessons to Accelerate Your Startup is a collection of advice that comes from individuals who have passed through, or are part of, this proven program. Each vignette is an exploration of information often heard during the TechStars program and provides practical insights into early stage entrepreneurship. Contains seven sections, each focusing on a major theme within the TechStars program, including idea and vision, fundraising, legal and structure, and work/life balance Created by two highly regarded experts in the world of early stage investing Essays in each section come from the experienced author team as well as TechStar mentors, entrepreneurs, and founders of companies While you'll ultimately have to make your own decisions about what's right for your business, Do More Faster: TechStars Lessons to Accelerate Your Startup can get your entrepreneurial endeavor headed in the right direction.

A comprehensive guide on creating, growing, and leveraging a board of directors written for CEOs, board members, and people seeking board roles. The first time many founders see the inside of a board room is when they step in to lead their board. But how do boards work? How should they be structured, managed, and leveraged so that startups can grow, avoid pitfalls, and get the best out of their boards? Authors Brad Feld, Mahendra Ramasinghani, and Matt Blumberg have collectively served on hundreds of startup and scaleup boards over the past 30 years, attended thousands of board meetings, encountered multiple personalities and situations, and seen the good, bad, and ugly of boards. In Startup Boards: A Field Guide to Building and Leading an Effective Board of Directors, the authors provide seasoned advice and guidance to CEOs, board members, investors, and anyone aspiring to serve on a board. This comprehensive book covers a wide range of topics with relevant tips, tactics, and best practices, including: Board fundamentals such as the board's purpose, legal characteristics, and roles and functions of board members; Creating a board including size, composition, roles of VCs and independent directors, what to look for in a director, and how to recruit directors; Compensating, onboarding, removing directors, and suggestions on building a diverse board; Preparing for and running board meetings; The board's role in transactions including selling a company, buying a company, going public, and going out of business; Advice for independent and aspiring directors. Startup Boards draws on the authors' experience and includes stories from board members, startup founders, executives, and investors. Any CEO, board member, investor, or executive interested in creating an active, involved, and engaged board should read this book-and keep it handy for reference.

The Founder's Dilemmas examines how early decisions by entrepreneurs can make or break a startup and its team. Drawing on a decade of research, including quantitative data on almost ten thousand founders as well as inside stories of founders like Evan Williams of Twitter and Tim Westergren of Pandora, Noam Wasserman reveals the common pitfalls founders face and how to avoid them.

An essential guide to building supportive entrepreneurialcommunities "Startup communities" are popping up everywhere, from citieslike Boulder to Boston and even in countries such as Iceland. Thesetypes of entrepreneurial ecosystems are driving innovation andsmall business energy.
