often only

require you to
be 18 years old.

You'll have to
be fluent in
English,
competent in
math and able to
work outdoors in
a variety of
weather
conditions.

New York Central
and Hudson River
Railroad No. 999
is a 4-4-0
"American" type
steam locomotive
built for the
New York Central
and Hudson River
Railroad in
1893, which was
intended to haul
the road's

Get Free Steam Locomotive

Empire State
Express train
service. It is
claimed that in
1893 No. 999 was
the first in the
world to travel
over 100 mph,
although the
probable maximum
speed was 81
mph.
