competitive advantage and profitability in Chapter 3; and business strategy and game theory in Chapter 5. Plus, Chapter 6 covers how competition and strategy change as industries pass through different growth stages, and Chapter 9 addresses horizontal integration and strategic outsourcing. All chapter-opening and chapter-closing cases are new and the authors have either replaced or substantially revised all Strategy in Action boxes. This edition also contains a new ongoing case on Dell, introducing relevant aspects of the company's strategy and performance to reinforce the practical application of key concepts and also illustrate how successive chapter topics tie together. Each chapter retains popular features from previous editions, including a chapter summary, discussion questions, and a Practicing Strategic Management section with four different exercises--Small-Group Exercise, Strategic Management Project,
