"Sleek, sexy, and fun."-Susan Sizemore, author of Primal Desires After three thousand years of one-night stands, a girl just wants a little more. Working for Satan is a hot gig. The Devil really does wear Prada, and Lily can sport all the dazzling fashion she desires, eat all the fabulous food she craves, and hang for all eternity with her three demon girlfriends. But serving up bad boys to the fiery pits of Hell is just getting . . . lonely. Lily gives the jerks, the creeps, and the liars the best (and last) night of their lives, but she's tired of waking up to a pile of ashes. She wants a guy who will stick around. But a mysterious man is turning up the heat . . . Nathan Coleman is a devilishly handsome, laid-back P.I. who wants to ask Lily a few questions about a missing man. But someone-or something-wants Lily and her friends dead, and Nathan seems to know more than he'll admit to. Can a sweet-talking mortal and a girl from Hell find true love?

Lily has what looks like the perfect life: a fabulous day job at a fashion magazine; a killer figure she can literally never lose; and a great group of girlfriends who are always there for her. Oh, and she also just-so-happens to be a succubus: an immortal demon who draws her power from other men's pleasure. Although working for the Devil does have it's perks, Lily's realizing that serving up bad boys to the fiery pits of Hell is just getting . . .well, lonely. Just once, Lily would like to wake up in the morning to something more than a pile of ashes but, contractually bound to Satan, she will only be released if someone truly loves her. Then the devilishly handsome PI Nathan Coleman enters her life and Lily begins to wonder if he might be the man she's been waiting for. He wants to ask Lily a few questions about a missing man, but suddenly someone - or something - wants Lily and her demon friends dead, and Nathan seems to know more than he'll admit to. Can a sweet-talking mortal and a girl from Hell ever really find true love?

Being a succubus sounds pretty glamorous. Shape-shifting, killer wardrobe, what's not to like? But Georgina Kincaid's life gets complicated when an unknown entity "helpfully" begins killing her immortal adversaries.

WHEN YOUR JOB IS DISPATCHING CREEPS TO THE HEREAFTER, A GOOD MAN IS HARD TO FIND. Lily loves working for Satan. Being one of Her Chosen means a gig filled with fashion, food, and the best supernatural gal pals a succubus could imagine. Still, being dumped by the first mortal she'd fallen in love with in centuries has put Lily in a serious funk. IF THINGS GET ANY HOTTER, LILY MIGHT GET BURNED. . . . Nathan Coleman bolted because he couldn't handle Lily's inner demon, but blond, buff, blue-eyed Marten is a delicious distraction, and he's one of her own kind. Only Lily's not sure she can trust him-especially when her best friend's demon boyfriend is kidnapped, the ranks of the Hierarchy of Hell are gunning for her downfall, and Lily's dashing P.I. beau is back on the scene, rekindling flames. Two men, too much temptation, and assassins closing in-if Lily survives, who claims her heart? "Sleek, sexy and fun." -Susan Sizemore, author of Primal Desires

Who Knew An Angel Could Get A Girl In So Much Devilish Trouble? Jackie Brighton woke up in a Dumpster this morning, and her day has only gotten weirder. Her familiar B-cups have somehow become double Ds, her sex drive is insatiable, and apparently she had her fi rst one-night stand ever...with a fallen angel. All she remembers is gorgeous Noah's oddly hypnotic blue eyes...and then a dark stranger whose bite transformed her into an immortal siren with a sexy Itch. With help from Noah, Jackie begins to adapt to her new lifestyle -- until she accidentally sends Noah into the deadly clutches of the vampire queen and lands herself in a fi erce battle for an ancient halo with the queen's wickedly hot righthand man. Who just happens to be the vampire who originally bit her. How's a girl supposed to save the world when the enemy's so hard to resist?

The sixth sizzling novel in Sizemore's vampire world features a powerful vampire, his forbidden love, and the danger that threatens to destroy them. In Las Vegas, Jason Cage is known as "The Beast Master." But his onstage feats of magic are nothing compared to the abilities he keeps hidden from human eyes. Jason is Prime of his vampire family, and once used his telepathic skills to tame wild werewolves. It's a talent that leads him to beautiful, sensual Sofia Hunyara, who instantly triggers all of Jason's primal urges. Sofia is destined to be his bondmate, but keeping her alive long enough to convince her of that fact will not be easy. Sofia has no reason to trust Jason, or to believe his story about her family's secret history as Wolf Tamers. The only thing she's sure of is an overwhelming attraction that quickly develops into a scorching affair. If Jason's claims are true, can Sofia embrace her legacy -- when it means walking away from a soul-searing desire that's deeper than any she's ever known?

Previously published in Eternal Lover Seduction is Georgina Kincaid's weapon-and elixir-of choice. The Seattle-based shape-shifting succubus is used to getting what she wants, when she wants. Until she falls for a mere mortal... Georgina is finally, irrevocably in love, and she doesn't care who knows it. There's just one problem. If she and her boyfriend, Seth Mortensen, succumb to their all-consuming desire, the consequences will be dire: Seth will be destroyed. Of course, no one cares about their struggle to keep their hands to themselves, especially not Georgina's archdemon boss, who is sending her to L.A. to sit on a demon-run tribunal. An immortal has been murdered-and the high court is determined to find the killer and set an example... Bribery, corruption, murder-the three demons on trial will stop at nothing to avoid a guilty verdict. But all the dark magic zipping through the atmosphere must be going to Georgina's head, because suddenly she suspects that Seth is up to no good. Now she can't help but wonder how far she'd be willing to go to make sure she doesn't lose the love of her immortal life... I never thought I'd be singing happy birthday to myself in a dungeon. And yet when a sinfully sexy demon crashes happy hour, that's exactly what happens. He's known as the Lord of Chaos, he's mistaken me for my succubus doppelgänger. Happy birthday to me. When he tastes my blood, he finally understands I'm mortal. And I realize we have something in common: we both crave revenge. So we make a deal: I can stay in the forbidden city to hunt for my mom's killer. In return, I'll help him get the vengeance he craves. I just have to pose as a sexy succubus. One problem--he's my number one suspect. And that's increasingly hard to remember as he teaches me my role: seduction. With each heated touch I drift further into peril. And if I fall under his seductive spell, death awaits me. "I flew through this book... Hot demon lord-check. Action-check. Romance-check. And there's spice! If you love my books, you definitely want to read this one." —Laura Thalassa

In this urban fantasy by a #1 New York Times–bestselling author, a powerless succubus must save the supernatural community of Seattle. Georgina Kincaid has been a bad, bad succubus—which should be a good thing. But lately, thanks to her foul mood over breaking up with bestselling writer Seth Mortensen, she’s been so wicked that Seattle’s über-demon Jerome, decides to "outsource" Georgina to a rival—and have her spy for him in the process. Being exiled to the frozen north—okay, Vancouver—and leaving Seth in the cozy clutches of his new girlfriend is unpleasant enough. Then Jerome is kidnapped, and all immortals under his control mysteriously lose their powers. One bright spot: with her life-sucking ability gone, there’s nothing to keep Georgina from getting down and dirty with Seth—nothing apart from his girlfriend that is. Now, as the supernatural population starts turning on itself, a newly mortal Georgina must rescue her boss and figure out who's been playing them—or all hell will break loose...
