# Where To Download Tempted Alex Kennedy 1 Megan Hart

Everything Changes is a follow-up story to Megan Hart's novel Tempted. It's short, I think about 50 pages, and basically is the story of Tempted written from Alex Kennedy's point of view, some of them the same scenes you read from Anne's point of view in the first book.

Tempted book by Megan Hart - ThriftBooks

Alex Kennedy is one of my favorite book characters. Megan's writing makes him seem so very real that I feel like I could run into him on the street or at a party. Actually, every Megan Hart novel I've read evokes a reality that makes the reader feel the events in her books truly happened. This novella is best read after "Tempted."
