How to Write a Book: The Complete Guide

Firstly, textbook writing is related to instructional design and therefore one might look at textbooks in terms of some instructional design models and methods. On a prescriptive level, one might argue that authors should use at least some kind of backwards design , i.e. define what students are supposed to be able to do (e.g. solve problems) and then write the books that enables them to do so.

GRAMMAR FOR ACADEMIC WRITING

In most forms of academic writing a detached and objective approach is required. An academic argument appeals to logic and provides evidence in support of an intellectual position. It is important to present your arguments in logical order and to arrive at conclusions. However, academic writing can take many forms.
