The Advertising Concept Book by Pete Barry | Waterstones

Pete Barry, who worked at Ogilvy London and now teaches in New York, goes straight to the basics: work out what you want to say, who you are saying it to, and how you want to say it. No amount of glossy presentation will make a successful ad if the idea behind it is unconvincing. Structured to provide both a complete course on advertising and a quick reference on particular topics, the book covers every aspect of the business, from how to write copy and choose a typeface to how agencies work ...

The Advertising Concept Book by Pete Barry

This edition features substantially revised and expanded chapters on both interactive and integrated advertising, plus an entirely new chapter on branded social media. Pete Barry outlines simple but fundamental rules about how to 'push' an ad to turn it into something exceptional, while exercises throughout will help readers assess their own work and that of others.
