A fun, friendly, fact-filled guide to get you through the many challenges of pregnancy, month by month. Becoming pregnant is hugely exciting, but with so many things to think about, it can also be overwhelming. Ease your worries with The Baby Bump, a comprehensive guide that offers expert and real-mom advice on surviving those all-important nine months. Featuring tips and advice on everything future moms really want to know—including what is safe to eat, how the baby develops week by week, and what to expect in the delivery room—this book is like chatting with a been-there, done-that best friend. The Baby Bump offers a wealth of fun features such as Birth Plan Checklists, a Kick Count Tracker, and a Work Your Wardrobe outfit assembly guide. It's the must-have resource for any mom-to-be.

A beautiful journal to use throughout pregnancy and in those all-important first weeks after the birth of your baby. In this invaluable journal you can track your unborn baby's development week by week, discover some helpful pregnancy tips, and record how you are feeling at each stage. Stay on top of your medical care with note pages for your midwife appointments and prenatal classes—and there's space to include those precious scan photos, as well as a handy storage pocket for important documents. In later pregnancy, using the journal will help to focus your mind as you make important decisions, such as choosing a name for your baby and writing a birth plan—and there are useful checklists to ensure that you've bought everything you need. Elated but exhausted after the birth, everything can become a bit of a foggy haze, which is why there is a special section at the end to help you with everyday care as well as record your newborn baby's first precious weeks.

Kate Evans deftly handles the physical and emotional changes that come with being pregnant, looking at the practicalities of every stage as well as the challenges that may arise. Her straightforward, funny and accessible text is illustrated throughout with detailed artwork to guide the reader through the intricacies of human reproduction whilst her customary laugh-out-loud cartoons demystify the complexities of pregnancy and birth. Contents include: • A graphic guide to conception • Practical help for those trying to conceive • Early pregnancy advice • Stop telling me what to do • Food, glorious food • The call of the duvet • Engaging with the professionals • Abortion rights and wrongs • Miscarriage support • Screening and scans • Are you ready to have a baby? • The physical preparations • Ripening and readying • Waiting well past your due date • The art of birth Labour • Push it real good • The Caesarian section
