The Color of Christ: The Son of God and the Saga of Race ...

It traces that history from the perspective of images of Christ in America throughout that history. While more race history than art history, it is an interesting study of how white Americans established a (likely inaccurate) blue eyed Caucasian Christ to represent their image of the Jewish Son of God.

The Color of Christ: The Son of God and the Saga of Race ...

The Color of Christ explores the ways Americans gave physical forms to Jesus, where they placed them, and how they remade the Son of God visually time and again into a sacred symbol of their greatest aspirations, deepest terrors, lowest actions, highest expressions, and mightiest strivings for racial power and justice. The Color of Christ...

The Color of Christ: The Son of God and the Saga of Race ...

This is the thesis of Edward J. Blum and Paul Harvey, co-authors of The Color of Christ: The Son of God and the Saga of Race in America. In the book, the pair put forth the proposition that the religion only became racist after the American Revolution when "a white Jesus was first used to try to bring unity and purpose to the young nation."

The Color of Christ : NPR

In The Color of Christ, Edward J. Blum and Paul Harvey weave a tapestry of American dreams and visions--from witch hunts to web pages, Harlem to Hollywood, slave cabins to South Park, Mormon revelations to Indian reservations--to show how Americans remade the Son of God visually time and again into a sacred symbol of their greatest aspirations, deepest terrors, and mightiest strivings for racial power and justice.

The Color of Christ: The Son of God and the Saga of Race ...

The color green has been considered the color of life and mystery, even before Jesus Christ was born. While every other tree dies during the winter, only holly bushes and fir trees remain evergreen. People probably thought that it was some kind of magic that helped these trees survive the harsh weather.
