Financial expert Catey Hill shows moms how to spend less and save big in this savvy guide where each step is designed to take 30 minutes max. Let's face it, kids are expensive -- in 24 states, daycare actually costs more than in-state college tuition! And the older kids get, the more you will spend. Every mom could use more money. But who has hours to search for coupons just to save a few dollars? And sure, you know you should learn how to get the most of your 401k, but when will you possibly find the time? Luckily, financial expert Catey Hill has created smart, simple strategies to help you maximize your money in minimal time (yes, even your 401k). Drawing on extensive research and exclusive studies on the actual cost of raising a child at each age, she'll show you how to save in each area of your life, including practical tips on: Shopping second-hand vs. what to buy new and where Lowering your grocery bill (without coupons!) Building up a college fund Dealing with high interest credit card debt Saving on insurance Best of all, these tips are designed to be done in less than half an hour, and the few things that might take a little longer are broken down in 30-minute segments. Catey will even guide you through a one-time five-step process that will allow you to manage all your bills, keep an eye on the family budget, and build savings for that dream family vacation in just 30 minutes a week, so you can stress less and enjoy your life more!"A handy resource for any parent trying to figure out how to balance a family budget." -- Soledad O'Brien, anchor of Matter of Fact with Soledad O'Brien "An indispensable guide for parents who want to gain control of their finances." --

How to build a financial plan that really blends into your life The latest volume in the bestselling Ultimate series, Jim Stovall and Tim Maurer's *The Ultimate Financial Plan: Balancing Your Money and Life* is a one-stop, comprehensive, personal financial planning book exploring the intersection of money and life. The *Ultimate Financial Plan* examines the connection between actions, thoughts, and feelings when it comes to all things financial. The key to getting the most out of your wealth, the authors argue, is certainly found in the wise utilization of tools, like budgets, bank accounts, 401(k)s, IRAs, Roth IRAs, education savings plans, and real estate, as well as home, auto, business, health, disability, and long term care insurance, but even more so in the contentment found in balancing money's influence in our lives with personal values and goals. An insider's look into the recently humbled "Big 3"—the banks, brokerage firms, and insurance companies—and the inner workings that often set their proprietary goals and objectives above all A critical examination of the role of various financial sales people, advisors, planners, and consultants A guide to navigating Economic Bias—a conflict of interest involving money—and how it affects every financial decision we make *The Ultimate Financial Plan* is the application of the resources at your disposal for the purpose of living your life to the fullest, and this book will show you the quickest route to getting started on the path to ultimate success.

David Koch, online entrepreneur, finance journalist and trusted Australian media personality knows a thing or two about the family finances. Father of four kids, sole breadwinner, and a man not afraid to admit to his own odd money mistake, David has also spent hour after hour in the Sunrise studio tuning in to the way the average Australian thinks about money. He knows the extent to which we all: \* spend too much on silly stuff \* avoid keeping track of our expenses \* get overwhelmed by the cost of raising a family \* settle for less in terms of salary \* do without the things that would bring a bit of pleasure to our lives \* pay the banks too much in fees and interest. David is here to help. In 11 easy steps he shows us everything we need to do to: \* pay less on the mortgage \* put up to \$14,000 extra back in the average family budget \* get those finances sorted in 15 minutes a month \* develop a side hustle or get a salary increase (or why not both?) \* learn a little about investing for the future \* tackle debt once and for all. Friendly, clear and easy to use, this is the guide you need to reset your money habits so you can learn more, worry less, breathe easier and enjoy of the fruits of your labour. This book is just the first step towards getting on top of your finances. Kochie's weekly '11 Steps' email newsletter is going to keep you on track well beyond the last page with timely tips, news and opportunities for you to keep growing your wealth. Just head to [www.ymyl.com.au/11steps](http://www.ymyl.com.au/11steps) to get on the list.
