The No Nonsense Guide To
Book description. This book provides a 'no-nonsense' guide to project management which will enable library and information professionals to lead or take part in a wide range of projects from large-scale multi-organisation complex projects through to relatively simple local ones. Barbara Allan has fully revised and updated her classic 2004 title 'Project Management' to incorporate considerable developments during the past decade, including: the development and wide-scale acceptance of formal ...
