The Other End of the Leash shares a revolutionary new perspective on our relationship with dogs, focusing on our behavior in comparison with that of dogs. An applied animal behaviorist and dog trainer with more than 20 years of experience, Dr. Patricia McConnell looks at humans as just another interesting species, and muses about why we behave the way we do around our dogs, how dogs might interpret our behavior, and how to interact with our dogs in

"The Other End of the Leash demonstrates how even the slightest changes in your voice and the way you stand can help your dog understand what you want. Once you start to think about your own behavior from the perspective of your dog, you'll understand why much of what appears to be doggy-disobedience is simply a case of miscommunication.
