The Picture of Dorian Gray is a Gothic and philosophical novel by Oscar Wilde, first published complete in the July 1890 issue of Lippincott's Monthly Magazine. Fearing the story was indecent, prior to publication the magazine's editor deleted roughly five hundred words without Wilde's knowledge.

The Picture of Dorian Gray - Wikipedia

Older TV prints of "The Picture of Dorian Gray" ran entirely in black-and-white, and did not show the painting in colour. Most current TV broadcasts now show the proper colour inserts. According to some sources, the final shot of the film was also originally shown in colour, but all extant prints show the final shot in black-and-white.

The Picture of Dorian Gray (1945) - IMDb

Young Shane Briant was the prettiest Dorian Gray ever on screen. In this version of The Picture Of Dorian Gray I got the distinct feeling that this is how Oscar Wilde probably saw his character in real life. His inspiration probably was some pretty twink he met in passing in the London underground gay scene.

The Picture of Dorian Gray (TV Movie 1973) - IMDb

The Picture of Dorian Gray, moral fantasy novel by Irish writer Oscar Wilde, published in an early form in Lippincott ' s Monthly Magazine in 1890. The novel, the only one written by Wilde, had six additional chapters when it was released as a book in 1891.

In reading the novel The Picture of Dorian Gray by Oscar Wilde , I became simultaneously enthralled in the life and world of Dorian Gray and and disdainful for the time period in which it was written. Focussing more on the core of the story, the way in which Wilde approaches the ideas of beauty and morality are poignant even today.

Dorian Gray throws himself into a life of wanton luxury drifting from the pampered salons of Victorian London to the darkest recesses of the capital, and revelling in the splendour of his beauty which remains forever golden. Meanwhile, the portrait – banished to an attic – becomes more and more grotesque.

The Picture of Dorian Gray - Sydney Theatre Company

February 11, 2019 by Essay Writer The Picture of Dorian Gray demonstrates a divide between aestheticism and morality that Oscars Wilde depicts by giving each character a very specific persona that either challenges or indulges in the immoral vices of life. This is all while Dorian remains paralyzed between two very different ideologies.

The Picture of Dorian Gray: aestheticism and morality ...

The Picture of Dorian Gray could also be titled A Portrait of the Human Soul, for in his dark and tragic commentary Oscar Wilde spares no liberties in discussing morality, religion, society and the depths of the human condition. It is a deeply moving and inspired novel centering around the defining power of art.

The Picture of Dorian Gray by Oscar Wilde - Goodreads

The Picture of Dorian Gray " Don ' t talk like that about any one you love, Dorian. Love is a more wonderful thing than Art. " " They are both simply forms of imitation, remarked Lord Henry. " Finally he came back, went over to the picture, and examined it.

The Picture of Dorian Gray Quotes: Chapters 7–8 | SparkNotes

"The Picture of Dorian Gray" is a novel by Oscar Wilde, first published in 1890. In this novel, the main character, Dorian Gray, has his soul trapped in a portrait which ages and records every soul-corrupting sin.

Theme Of Good And Evil In The Picture Of Dorian Gray ...

Albright Picture of Dorian Gray 1943/44 Oil on canvas 215.9 x 106.7 cm (85 x 42 in.) The painting is a self-portrait of the fictional character Dorian gray. The painting was used in the film where the character had asked a portrait of him as a handsome man. Dorian gray trades in his soul for him to remain forever young and handsome.

Picture of Dorian Gray - The Picture of Dorian Gray ...

A handsome, dissolute man who sells his soul for eternal youth is horrified to see the reflection of his degeneration in the distorted features of his portrait.

The Picture of Dorian Gray is an 1891 philosophical novel by Irish writer and playwright Oscar Wilde. First published as a serial story in the July 1890 issue of Lippincott's Monthly Magazine, the editors feared the story was indecent, and without Wilde's knowledge, deleted five hundred words before publication. Despite that censorship, The Picture of Dorian Gray offended the moral sensibilities of British book reviewers, some of whom said that Oscar Wilde merited prosecution for violating the laws guarding the public morality. In response, Wilde aggressively defended his novel and art in correspondence with the British press. Wilde revised and expanded the magazine edition of The Picture of Dorian Gray (1890) for publication as a novel; the book edition (1891) featured an aphoristic preface - an apology about the art of the novel and the reader. The content, style, and presentation of the preface made it famous in its own literary right, as social and cultural criticism. In April 1891, the editorial house Ward, Lock and Company published the revised version of The Picture of Dorian Gray.

The Picture of Dorian Gray - The Picture of Dorian Gray ...

A young man strikes a Faustian bargain in which his appearance remains unchanged while his portrait ages. This splendid hardcover volume features 12 evocative black-and-white illustrations by British artist Henry Keen.

Will Self's DORIAN is a "shameless imitation" of Oscar Wilde's The Picture of Dorian Gray that reimagines the novel in the milieu of London's early-80s art scene, which for liberated homosexuals were a golden era of sex, drugs and decadence before the AIDS epidemic struck later in the decade. It is "an age in which appearances matter more and more and more. Only the shallowest of people won't judge by them." Young Dorian Gray, just out of school, is a trust funded, impressionable Adonis-like blonde with none of the cynicism of the characters who end up corrupting his innocence even as they love him for it. He arrives in London to help socialite and philanthropist Phyllis Hawtree with her project of running a shelter for young drug addicts. He knows he is strikingly beautiful, that he could be a male model, but he tries not to get too caught up in the "looks thing." Basil Hallward, an artist friend of Phyllis's son Henry Wotton, meets Dorian and immediately falls for him, asking him to pose for a video installation called Cathode Narcissus, wherein Dorian is surrounded by nine television monitors which project images of himself looking into a mirror. In the book's final pages, we discover that Dorian is so taken by the images that he makes a wish that they will age while he remains eternally young. And indeed, Dorian soon swears he sees some faint traces of aging in the images. Meanwhile Dorian is so impressed with the witty, sophisticated banter between Baz and Wotton that he immediately wants to be part of their world (he is described as a social chameleon, easily slipping into the characteristics and fashions and mannerisms of those around him). Dorian, then, breaks up with his college girlfriend and takes up with Baz's friend Wotton, a rich, intelligent but affectless homosexual boozier and cokehead (and careless Jaguar driver) who has a loveless marriage of convenience with the socialite Lady Victoria, a somewhat batty woman who is fine to live in denial of her husband's sexuality so long as their marriage keeps bringing in a flood of party invitations. Jealous of Baz's affections for Dorian and eager to see Dorian "thoroughly pleasure this jaded century" via his unparalleled looks and money, he takes Dorian under his wing and Dorian soon grows to prefer the wild, devil-may-care Wotton over the earnest, somewhat pretentious Baz. ("Baz Hallward the wayward acolyte, seething with energy and bumptiousness; while the younger man [Wotton] played the part of his mentor, consumed with cool, eaten up with indifference.") "Dorian knew his own limitation: he had money but no real style. His upbringing had been here and there, on the fringes of film sets, in foreign hotels & € ! It had given him polish but no shine. He lacked the deep lustre of someone like Wotton." But in truth, Wotton is no better himself: "Henry Wotton was subject to saying to anyone who would listen that the chameleon is the most significant of modern types." And while outer appearance would seem to belie this, the truth was that beneath the Planet of Wotton was a realm of complete flux." The characters to which Wotton introduces Dorian are no better: drug addicts who revere Dorian only for his looks and money. As Dorian gets caught up in this world he becomes every bit as superficial as these people: "Dorian had begun to display talents in the only two areas of life that are worth considering, he was becoming a seducer par excellence, and he was transforming himself into an artificer of distinction, a person who is capable of employing all of the objective world to gain his own end." He eventually falls for a junkie named Herman largely for his beautiful black skin. To celebrate the debut of Cathode Narcissus, Dorian invites Herman over for an orgy with Wotton, Baz, and the others although not as jaded as Dorian has become (and apparently not a homosexual). Herman's craving for drugs is such that he agrees, and at the party he shares a needle with the other attendees and unwittingly infects them with AIDS. After the party, perhaps because he is ashamed of what he has sunk to, he kills himself in the street. PART TWO: TRANSMISSION Ten years have passed, and Henry Wotton now lies in a hospital bed on the AIDS ward. He knows he is dying, as is his friend Baz who visits him now for the first time in years, but unlike Baz, Wotton has continued to live the life that brought him down, bribing the hospital employees to let his dealer visit him. His wife is in absolute denial, calling Wotton & €™s infection a & €€bug, & €? Baz becomes angry that Wotton is not taking care of himself (having been clean for five years, Baz has recovered his soul). He tells Wotton about his move to New York City in the early eighties, when Manhattan was & €€at the very peak of a great mountain of depravity. & €? His drug habit drove him to poverty and homelessness and he eventually ended up an errand boy for three transvestite cabaret acts who housed him in their squalididid apartment. Dorian found him here and & €€saved & €? him by cleaning him up and taking him shopping so that Baz might introduce him to some of his downtown connections (Warhol, Mapplethorpe, Burroughs, etc.) This doesn't & €™t really happen, but Dorian does manage to & €€put himself at the center of every season, & €? ever-popular for his looks, fake refinement, and money. & €€His social promiscuity and his sexual promiscuity have had the same bewildering effect & €? " that of making him incomprehensible, unknowable. Is he gay or straight? Is he nob or yob? And incidentally, how old is he exactly?& €? Dorian discovers gay nightlife, sleeping with hundreds (maybe thousands) of men and in one brutal instance he later recalls with glee, beating a man to death as he sodomizes him in the basement of the Mineshaft nightclub. Eventually, however, when the AIDS scare begins, Dorian popularity lessens when many suspect that he is knowingly transmitting the disease. When Wotton returns from the AIDS ward, a dinner party is thrown and Dorian shows up unexpectedly. Wotton and Baz are shocked to see that he looks exactly as he did ten years ago & €? " he has & €™t aged a bit and apparently doesn't & €™t have AIDS. During the party Baz tells Dorian that he would like to photograph Cathode Narcissus for an upcoming retrospective and Dorian invites Baz back to his mews home to see it. There, Dorian offers Baz oral sex and his first hit in five years. He tells Baz of the wish he made when he first saw Cathode Narcissus and reveals that ever since then, the images have indeed been aging while he stays young. When Baz refuses to believe it Dorian reveals the monitors and sure enough they play horrifying images of an AIDS-stricken Dorian & €? " & €€concentration camp victims forced to dance by some insane Nazi doctor. When Baz refuses to copy the tapes for Dorian so that he can continue to preserve his youth, Dorian brutally stabs Baz several times, killing him without compunction. & €€Baz joined the wraithlike Dorians, who had stepped down from their monitors to meet him and in the null space in the middle of the null room, the ten of them linked hands, formed a ring, and commenced a stately dance. & €? EPILOGUE As it turns out, everything up until this point is the text of a novel written by Henry Wotton, who is now dead of AIDS and has left the book for Dorian and Victoria. Dorian is hurt and indignant about the way he is portrayed: he insists that he never killed anyone, he is not a shallow narcissus but rather someone who genuinely cares about the good of others, he is not a free-loading model but has worked hard as the publisher of a fashion/design magazine. He brushes the book off but as he tries to go on with his work of preserving the now-famous work of Baz, the cynical narrative voice of Henry Wotton & €™s book keeps intruding into his thoughts until finally, as Dorian visits the scene of his friend Princess Di & €™s fatal crash, Wotton reappears and cuts his throat.

Publishes for the first time the author's original, uncensored typescript, in an annotated edition with 60 color illustrations.

Dorian Gray gives his soul for eternal youth. While his portrait changes hideously, reflecting his crimes and corruption, he remains outwardly flawless. This new edition uses the 1891 expanded text and shows how Wilde transformed his many sources. - "The only way to get rid of a temptation is to yield to it." When Dorian Gray has his portrait painted, he is captivated by his own beauty. Tempted by his world-weary, decadent friend Lord Henry Wotton, he wishes to stay forever young, and pledges his very soul to keep his good looks. Set in fin-de--siècle--ie London, the novel traces a path from the studio of painter Basil Hallward to the opium dens of the East End. As Dorian's slide into crime and cruelty progresses he stays magically youthful, while his beautiful portrait changes, revealing the hideous corruption of moral decay. Ever since its first publication in 1890 Wilde's only novel has remained the subject of critical controversy. Acclaimed by some as an instructive moral tale, it has been denounced by others for its implicit immorality. Combining elements of the supernatural, aestheticism, and the Gothic, The Picture of Dorian Gray is an unclassifiable and uniquely unsettling work of fiction. - .It seemed to be an impossible task to outdo the former edition of 'Dorian Gray' in the World's Classics series, but Bristow has achieved his goal. The quality of the explanatory notes is, simply, superb, and the introduction is succinct but informative, -

When first published this unique novel evoked a tremendous amount of hostile criticism, in most part due to its immoral content. Oscar Wilde was identified with the "art for art's sake" movement of the nineteenth century which did not subordinate art to ethical instruction. However, this novel is indeed a morality tale about the hazards of egotistical self-indulgence. "If it were I," exclaims Dorian, "who were always to be young and that picture that was to grow old . . . I would give my soul for that. "With that spoken, the tale of this young hero of amazing beauty, Dorian Gray, begins. His pact with evil allows his portrait to take on his many sins and degradations while his physical appearance remains youthful. Over the years as he becomes cruel and vicious, even murderous, Dorian's young and perfect body is no longer enough to salvage his deteriorating mind and morality. Will justice and good prevail?

Flamboyant and controversial, Oscar Wilde was a dazzling personality, a master of wit, and a dramatic genius whose sparkling comedies contain some of the most brilliant dialogue ever written for the English stage. Here in one volume are his immensely popular novel, The Picture of Dorian Gray; his last literary work, " The Ballad of Reading Gaol, " a product of his own prison experience; and four complete plays: Lady Windermere ' s Fan, his first dramatic success, An Ideal Husband, which pokes fun at conventional morality, The Importance of Being Earnest, his finest comedy, and Salom é, a portrait of uncontrollable love originally written in French and faithfully translated by Richard Ellmann. Every selection appears in its entirety—a marvelous collection of outstanding works by the incomparable Oscar Wilde, who ' s been aptly called " a lord of language " by Max Beerbohm.

In this graphic novel adaptation of Oscar Wilde's classic story, Dorian Gray hides a monstrous secret in his attic--a portrait that ages and shows the results of his hedonistic and selfish lifestyle while he remains ever-youthful and handsome.
