Langston Braverman abandons her academic career to retreat to her parents' attic, until the murder of her childhood friend Alice and an encounter with Amos Townsend, a local preacher, transforms her life.

The author offers a chronicle of growing up in a small town in America's heartland, offering portraits of her family and her encounters with the complexities of the adult world, romance, and small-town life during the 1960s and 1970s.

In her first two books, Haven Kimmel claimed her spot on the literary scene– surprising readers with her memoir, A Girl Named Zippy, and winning an outpouring of critical acclaim for her first novel, The Solace of Leaving Early. Now, in her second novel, she brings to the page a heroine's tireless quest for truth, love, justice, and the perfect game of 9-ball. Cassie Claiborne's world is riddled with problems beyond her control: her hard- living, pool-shooting father has another wife; her stoic, long-suffering mother is incapable of moving herself mentally away from the kitchen window; her sister Belle is a tempest of fragility and brilliance; her closest friends, Puck and Emmy, are adolescent harbingers of their own doomed futures. Frustrated by her inability to care deeply enough for so many troubled souls, Cassie finds in the local pool hall an oasis of green felt where she can master objects and restrain her emotions. As Cassie grows from a quietly complex girl into a headstrong young woman, she takes on the thankless role of family provider by working odd jobs and hustling pool. All the while, she keeps her eye on the ultimate prize: wringing suitable justice out of past wrongs and freeing herself from the inertia that is her life. In this ultimately uplifting story, Haven Kimmel reaches deep into the hamstrung souls of her fictional corner of Indiana. Remarkable for its tough tenderness, Something Rising (Light and Swift) is an astonishing work of pure heartbreak.

"Younts has set herself apart with this exquisite story of friendship and redemption . . . I'll be talking about this book for years to come." –Rachel Hauck, New York Times bestselling author of The Wedding Dress In a time of grief and heartache, an unlikely friendship provides strength and solace. After leaving her son's grave behind in Montgomery, Alabama, Delilah Evans has little faith that moving to her husband's hometown in Pennsylvania will bring a fresh start. Enveloped by grief and doubt, the last thing Delilah imagines is becoming friends with her reclusive Amish neighbor, Emma Mullet–yet the secrets that keep Emma isolated from her own community bond her to Delilah in delicate and unexpected ways. Delilah's eldest daughter, Sparrow, bears the brunt of her mother's pain, never allowed for a moment to forget she is responsible for her brother's death. When tensions at home become unbearable for her, she seeks peace at Emma's house and becomes the daughter Emma has always wanted. Sparrow, however, is hiding secrets of her own–secrets that could devastate them all. With the white, black, and Amish communities of Sinking Creek at their most divided, there seems to be little hope for reconciliation. But long-buried hurts have their way of surfacing, and Delilah and Emma find themselves facing their own self-deceptions. Together they must learn how to face the future through the healing power of forgiveness. Eminently relevant to the beauty and struggle in America today, The Solace of Water offers a glimpse into the turbulent 1950s and reminds us that friendship rises above religion, race, and custom–and has the power to transform a broken heart.

Belinda McKeon's Solace is an extraordinarily accomplished first novel—a story of a father and son thrown together by tragedy; one clinging to the old country and one plunging into the new. Set in an Ireland that catapulted into wealth at the end of the twentieth century and then suffered a swift economic decline, this is a novel about the conflicting values of the old and young generations and the stubborn, heartbreaking habits that mute the language of love. Tom and Mark Casey are a father and son on a collision course, two men who have always struggled to be at ease with each other. Tom is a farmer in the Irish midlands, the descendant of men who have farmed the same land for generations. Mark, his only son, is a doctoral student in Dublin, writing his dissertation on the nineteenth-century novelist Maria Edgeworth, who spent her life on her family's estate, not far from the Casey farm. To his father, who needs help baling the hay and ploughing the fields, Mark's academic pursuit is not man's work at all, the occupation of a schoolboy. Mark's mother negotiates a fragile peace. Then, at a party in Dublin, Mark meets Joanne Lynch, a lawyer in training whom he finds irresistible. She also happens to be the daughter of a man who once spectacularly wronged Mark's father, and whose betrayal Tom has remembered every single day for twenty years. After the lightning strike of devastating loss, Tom and Mark are left with grief neither can share or fully acknowledge. Not even the magnitude of their mutual loss can alter the habit of silence. Solace is a beautiful and moving novel by one of the most exciting new writers to emerge from Ireland.
