~~Sixteen year old, Carrie Paxton, isn't the most popular girl in her small town of Stillburrow. But that's never concerned her before. Her life revolves around her writing, and she loves her job as the student editor of the school paper. But when she gets assigned to interview the football team's beloved quarterback, she takes one look into Luke Carter's blue eyes and is a goner. Suddenly, she doesn't like her lowly rank so much. Then her dreamy, popular crush surprises her when he starts to act as if he likes her in return. But there's no way Luke Carter could possibly ever like a nobody like Carrie Paxton. Is there?~~

~~High school senior Teresa Adams is so painfully shy that she dreads speaking to anyone in the hallways or getting called on in class. But in the privacy of her bedroom with her iPod in hand, she rocks out -- doing mock broadcasts for Miami's hottest FM radio station, which happens to be owned by her stepfather. When a slot opens up at The SLAM, Tere surprises herself by blossoming behind the mike into confident, sexy Sweet T -- and to everyone's shock, she's a hit! Even Gavin, the only guy in school who she dares to talk to, raves about the mysterious DJ's awesome taste in music. But when The SLAM announces a songwriting contest -- and a prom date with Sweet T is the grand prize -- Sweet T's dream could turn into Tere's worst nightmare...~~

~~Kayla Steele is a girl with a problem. First of all, she's trying to hold down her job at the perfume counter of a large department store, whilst staying on top of her pile of mounting bills. As if that wasn't enough, she's also on a mission to learn the Dark Arts so that she can avenge the death of her boyfriend and bring down the cabal of supernatural entities that is stalking the streets of LA. Then, of course, there's the dead boyfriend himself, Karrel Dante. She's really got no idea where that relationship is going at the moment... Dante's Girl is a dark, sexy, adventure-filled novel that explores the supernatural underbelly of life in contemporary LA - and the issues faced by a girl who really just wants to spend some quality time with her dead boyfriend.~~

~~Let your hair down, Caroline, they said. It'll be fun, they said. I know I've closed myself off in a major way in the past year, ever since " the incident " where I messed up my life completely. It's past time I try to live again or just give up completely. But this is quite possibly the craziest thing I've ever done. In a last ditch effort to invigorate myself, I'm standing outside Oren Tenning's bedroom, I just peeled off the sexiest pair of underwear I own, and my hand is already raised to knock. My brother would disown me for doing anything with his best friend, and he'd probably kill Oren. But if I play my cards right, no one will ever know about this. Not even Ten. Maybe after tonight, I'll finally get over this stupid, irrational crush I hate having on the biggest jerk I've ever met. Or maybe I'll just end up falling for him even harder. Maybe I'll discover there's so much more to my crude, carefree hunk than meets the eye.~~

PLUS THE WIDOWER Heir to an oil dynasty, Grady has inner demons to battle. Ever since his wife and unborn child died two and half years ago, he's developed a deep-seated hatred for sympathy and can't handle anyone feeling sorry for him or treating him like some pitiful widower. EQUALS TROUBLE IN TEXAS Grady hires B.J.'s plane service to fly him to Houston for an overnight business trip. While there, she coaxes him into accompanying her to a late dinner, where she decides it's time for him to move on with his life. ~~IT'S NOT EVERY DAY YOU LEARN YOU HAVE A NINE-YEAR-OLD DAUGHTER Boston Kincaid's life is forever changed when he reads the note from Cassidy Trenton, who's looking for her daddy. Vividly remembering the girl's mother, Boston is compelled to learn the truth about Cassidy's paternity. Single working mother Ellie Trenton is completely bowled over to find her old college flame, whom she hasn't seen in ten years, loitering on her front porch when she comes home from work one day. At the sight of each other, Boston and Ellie's decade apart melts away, and that old chemistry between them flares back to life. But trust doesn't come easily, and old wounds never healed properly. Can Boston and Ellie learn to forgive and forget so they can experience the love they never shared, or will child custody battles keep them apart forever?~~

~~LUCY GAMBLE, KNOCKED UP BY DYING MAN SHE GAVE SYMPATHY SEX, NOW MOVING ON TO HIS BIG BROTHER. Have you ever tried to come up with a headline for your life? Well, mine's so cringeworthy I can't believe it's actually my story...or a hundred percent true. But honestly, how could I say no to the one-night-stand when he begged? Only a monster could deny someone their dying wish, right? I mean, okay, getting pregnant from the encounter was a regrettable, irresponsible mistake; I can fully admit that. Turning to his brother, however, was never part of the plan. Initially, I didn't even like the guy. Except Vaughn Merrill is a force to be reckoned with. He's determined to be an "involved" uncle, and no matter how much I tell him he doesn't have to be so helpful, he's just so freaking helpful. And gorgeous. Plus not at all the ass I assumed he was. Then there's this massive pain and grief and loneliness I see in his eyes. I just want to hug him constantly and give him the sense of family he so desperately needs. So really, can you blame me for falling for the one man I know I shouldn't?~~

~~When Drew Harper agrees to do some spying for his sister, who believes her husband is cheating on her, he encounters Mia Stallone, a woman still healing after a tragic loss and reluctant to reveal her secrets.~~
