The Storytelling Animal finally reveals how stories shape us. This is a quite wonderful book. It grips the reader with both stories and stories about the telling of stories, then pulls it all together to explain why storytelling is a fundamental human instinct.

The Storytelling Animal: How Stories Make Us Human: Amazon ...

Humans are the storytelling animal. Everything we see, hear, feel, dream, and experience is a story. Every single moment we live is a part of the confluence of the haphazardly interconnected vignettes and events that we weave into the story we call our Lives.

The Storytelling Animal: How Stories Make Us Human by ...

How important is the story for human beings? This simple yet deep question is a starting point for Jonathan Gottschall's 2012 book The Storytelling Animal: How Stories Make Us Human, a well thought-out and richly documented study of the importance of stories and storytelling in our lives.

"The Storytelling Animal is informative, but also a lot of fun, as when Gottschall vividly describes the "Neverlands" his daughters create in their playtime. Anyone who has wondered why stories affect us the way they do will find a new appreciation of our collective desire to be spellbound in this fascinating book.

The Storytelling Animal – Jonathan Gottschall

The Storytelling Animal is about the way explorers from the sciences and humanities are using new tools, new ways of thinking, to open up the vast terra incognita of Neverland. It's about the way that stories—from TV commercials to daydreams to the burlesque spectacle of professional wrestling—saturate our lives.

The Storytelling Animal Quotes Showing 1-30 of 33. "We are, as a species, addicted to story. Even when the body goes to sleep, the mind stays up all night, telling itself stories." – Jonathan Gottschall, The Storytelling Animal: How Stories Make Us Human. 116 likes.

The Storytelling Animal Quotes by Jonathan Gottschall

But man—let me offer you a definition—is the story-telling animal. Wherever he goes he wants to leave behind not a chaotic wake, not an empty space, but the comforting marker-buoys and trail-signs of stories. He has to go on telling stories, he has to keep on making them up. As long as there's a story, it's all right.
