I loved the World Walker and I Loved and enjoyed The Unmaking Engine even more! It's incredibly well written and the science seems plausible even though it's in the realms of pure fantasy! The characters are well developed and interesting and I've thoroughly enjoyed how each book looks back to a main character's childhood to shed light on the complexities of their nature.

The unmaking engine continues the story of Seb Varden. It was an engaging and solid read that brought the storyline from the fist book to a neat conclusion. The point of view jumps disappeared thankfully as well! I did feel that a lot of the drama and suspense from the first book was lost in this one..
