Every stamp and piece of

mail tells a story. In fact,
each often tells multiple
stories, ranging from
concept to art design to
production to usage, often
with tales of politics,
history, technology,
biography, genealogy,

economics, geography,
disaster, and triumph. The
lens of philately offers a
fresh and engaging story of
American history, culture,
and identity, and it can
also help deepen the
understanding of world
