The first comprehensive survey to explore the rich and complex history of contemporary Korean art - an incredibly timely topic Starting with the armistice that divided the Korean Peninsula in 1953, this one-of-a-kind book spotlights the artistic movements and collectives that have flourished and evolved throughout Korean culture over the past seven decades - from the 1950s avant-garde through to the feminist scene in the 1970s, the birth of the Gwangju Biennale in the 1990s, the lesser known North Korean art scene, and all the artists who have emerged to secure a place in the international art world.

A wonderfully unique and unexpected collection of desserts that showcase spice over sugar, with 80 recipes that both reinvent classic sweets and introduce more unusual spice-infused desserts. In Sugar and Spice, veteran food editor and recipe developer Samantha Seneviratne invites readers to explore a bold new world of spice-centric desserts. Each chapter centers on a different spice—some familiar, like vanilla, cinnamon, and ginger; others less expected (especially in sweet preparations), such as peppercorns, chiles, and cardamom. With fascinating histories, origin stories, and innovative uses for each spice, this book will inspire readers to rediscover and re-stock their spice drawers, and raise their desserts up to a whole new level of flavor.

A career flavor scientist who has worked with such companies as Lindt, Coca-Cola and Cadbury organizes food flavors into 160 basic ingredients, explaining how to combine flavors for countless results, in a reference that also shares practical tips and whimsical observations.

Throughout time, people have chosen to adopt a vegetarian or vegan diet for a variety of reasons, from ethics to economy to personal and planetary well-being. Experts now suggest a new reason for doing so: maximizing flavor -- which is too often masked by meat-based stocks or butter and cream. The Vegetarian Flavor Bible is an essential guide to culinary creativity, based on insights from dozens of leading American chefs, representing such acclaimed restaurants as Crossroads and M.A.K.E. in Los Angeles; Candle 79, Dirt Candy, and Kajitsu in New York City; Green Zebra in Chicago; Greens and Millennium in San Francisco; Natural Selection and Portobello in Portland; Plum Bistro in Seattle; and Vedge in Philadelphia. Emphasizing plant-based whole foods including vegetables, fruits, grains, legumes, nuts, and seeds, the book provides an A-to-Z listing of hundreds of ingredients, from av8av? to zucchini blossoms, cross-referenced with the herbs, spices, and other seasonings that best enhance their flavor, resulting in thousands of recommended pairings. The Vegetarian Flavor Bible is the ideal reference for the way millions of people cook and eat today -- vegetarians, vegans, and omnivores alike. This groundbreaking book will empower both home cooks and professional chefs to create more compassionate, healthful, and flavorful cuisine.

For the first time in one elegant collector's edition hardcover, and featuring an introduction by New York Times bestselling author Terry Brooks, here are the first three novels of that classic series: The Sword of Shannara, The Elfstones of Shannara, and The Wishsong of Shannara—the beginning of a phenomenal epic of good and evil. The Sword of Shannara Long ago, the wars of the ancient Evil ruined the world. In peaceful Shady Vale, half-elfin Shea Ohmsford knows little of such troubles. But the supposedly dead Warlock Lord is plotting to destroy everything in his wake. The sole weapon against this Power of Darkness is the Sword of Shannara, which can be used only by a true heir of Shannara. On Shea, last of the bloodline, rests the hope of all the races. The Elfstones of Shannara The magical Elcrys tree is dying, loosening the spell that bars the Demons from enacting vengeance upon the land. Now Wil Ohmsford must guard the Elven girl Amberle on a perilous quest as she carries one of the Elcrys' seeds to a mysterious place where it can be quickened into a powerful new force. But dark on their trail comes the Reaper, most fearsome of all Demons, aiming to crush their mission at any cost. The Wishsong of Shannara An ancient Evil is stirring to new life, sending its ghastly Mord Wraiths to destroy Mankind. To win through the vile growth that protects this dark force, the Druid Allanon needs Brin Ohmsford—for she alone holds the magic power of the wishsong. Reluctantly Brin joins the Druid on his dangerous journey. But a prophecy foretells doom, as Evil nurses its plans to trap the unsuspecting Brin into a fate far more horrible than death. Thus begins Terry Brooks's thrilling Shannara epic, an unforgettable tale of adventure, magic, and myth. BONUS: This edition contains an excerpt from Terry Brooks's The Measure of the Magic.

Try me . . . test me . . . taste me . . . Joanne Harris's Chocolat trilogy has tantalized readers with its sensuous descriptions of chocolate since it was first published. Now, to celebrate the much-loved story of Vianne Rocher's deliciously decadent chocolaterie, Joanne Harris and Fran Warde have created the ultimate book of chocolate lore and recipes from around the world, bringing a touch of magic to your kitchen.
