The First Book of Enoch was lost for centuries to the western world although it was kept by the Ethiopian church. In 1773 the Scottish explorer James Bruce heard that the Book of Enoch may have been in Ethiopia so traveled there and procured three copies. In 1821 Richard Laurence, a professor of Hebrew at Oxford, produced the first English translation. Fragments of ten Enoch manuscripts were found among the Dead Sea Scrolls. It is quoted by New Testament Book of Jude. This book contains all sections of The First Book of Enoch: The Book of the Watchers The Book of Parables of Enoch The Astronomical Book The Book of Dream Visions The Epistle of Enoch It is of particular interest to anyone with an interest in angels and demons, or Bible history in general. The Books of Enoch: The Complete Set also contains 2 Enoch (also known as The Slavonic Enoch, or The Secrets of Enoch) and contains the Extended Version; and 3 Enoch (also known as The Hebrew Book of Enoch.)

2nd Book of Enoch, the Slavonic Enoch, or 2 Enoch, which is another apocryphal book, found complete only in Old Slavonic manuscripts, and it was once present in the Old Slavonic Bible. It's usually dated to the first century CE although Matthew Black in The Oxford Guide to People & Places of the Bible state that there is no manuscript "earlier than the fourteenth century BE". ~ Amazon.

Feedback from users suggest this resource book is more comprehensive and more practical than many others in the market. One of its strengths is that it was written by trainees in internal medicine who understand the need for rapid access to accurate and concise clinical information, with a practical approach to clinical problem solving.

The twentieth century left humanity in despair. Two World Wars caused the death of more than seventy million people. The Holocaust of the Jews and genocide against other groups left us the images of factories of death and names of unimagined cruelty. Humanity learned about its unlimited ability to inflict suffering and death. Hell appeared as a human-made reality. Two educators, the Polish-Jewish educator and children's rights advocate Janusz Korczak (murdered in Treblinka in 1942), and Yitzhak Katzenelson, a Bible teacher, dramatist and a poet (murdered in Auschwitz in 1944), shared the same historical reality but responded in very different ways. A comparative study of their legacies leads explores questions of identity, leadership, and the educators' role in the face of totalitarianism, terror and genocide. The book may appeal to teachers in all disciplines who deal with their identity as educators, and to historians and civic rights activists in any society, culture or nationality.

I have physical scars from past surgeries, however, I have emotional scars as well. They were buried deep inside (hidden). It wasn't until my mother died was I able to "catch my breath" and to make sense of or process the emotional pain I had endured due to her prescription drug addiction, resulting in my own addictions.

Discusses the roles played by neuroscience, chaos theory, poetry, and art in the field of human persuasion and how to successfully use these fields in advertising.

bridesmaid, never a bride, but this groom is never going to make it to the altar. Theodosia Browning's dear friend Delaine Dish has asked her to be a bridesmaid for her wedding. But when the big day arrives, everything seems to be going wrong. First, a massive storm is brewing over Charleston. A bad omen? Second, Delaine's sister is late for the ceremony. And finally, the groom not only has cold feet—his whole body is cold. A murderer has crashed the wedding. As Theodosia comforts a devastated Delaine, she needs to sort out the suspects on the groom's side from the suspects on the bride's side. One thing soon becomes apparent—revenge won't be the only dish served cold at this wedding. And if Theodosia doesn't watch her step, a cold-blooded killer may have a rude reception in store for her.
