You will find a troll, gryphons, a beloved dog, the Land of the Dead, an owl, a minotaur, and a very alien Cat. Earth and Air is the third and final book in a trilogy of shared collections connected by the four classical elements. It follows previous volumes Water: Tales of Elemental Spirits and Fire: Tales of Elemental Spirits, written by both Peter Dickinson and Robin McKinley. Ridiki is Steff ' s beloved dog, named after Eurydice, whom the poet Orpheus tried to bring back from the dead. When, like her namesake, Ridiki is bitten by a snake and dies, Steff decides that he too should journey to the Underworld to ask the King of the Land of the Dead for his dog back. Mari is the seventh child of a family in which troll blood still runs. When her husband

goes missing in a Scottish loch, she must draw upon the power of her blood to rescue him. Sophie, a young girl, fashions a witch ' s broomstick out of an ash sapling, and gets more than she bargained for. An escaped slave, Varro, must kill a gryphon, in order to survive. A boy named Yanni allies himself with an owl and a goddess in order to fight an ancient evil. A group of mind-bonded space travelers must face an unknown threat and solve the murder of a companion before time runs out. All of these stories are about, in one way or another, the contrary and magical pull of two elements, Earth and Air. Each story showcases the manifold talents of a master storyteller and craftsman who has twice won the Carnegie Medal and the Whitbread Award, as well

lives in England and is married to the novelist Robin McKinley.

A strange imprisonment Beauty has never liked her nickname. She is thin and awkward; it is her two sisters who are the beautiful ones. But what she lacks in looks, she can perhaps make up for in courage. When her father comes home with the tale of an enchanted castle in the forest and the terrible promise he had to make to the Beast who lives there, Beauty knows she must go to the castle, a prisoner of her own free will. Her father protests that he will not let her go, but she answers, "Cannot a Beast be tamed?" Robin McKinley's beloved telling illuminates the unusual love story of a most

A compelling and inventive novel set in a world where science and magic are at odds, by Robin McKinley, the Newbery-winning author of *The Hero and the Crown* and *The Blue Sword*, as well as the classic fantasy titles *Beauty*, *Chalice*, *Spindle 's End*, *Pegasus* and *Sunshine*. Maggie knows something 's off about Val, her mom 's new husband. Val is from Oldworld, where they still use magic, and he won 't have any tech in his office-shed behind the house. But—more importantly—what are the huge, horrible, jagged, jumpy shadows following him around? Magic is illegal in Newworld, which is all

about science. The magic-carrying gene was disabled two generations ago, back when Maggie ' s great-grandmother was a notable magician. But that was a long time ago. Then Maggie meets Casimir, the most beautiful boy she has ever seen. He ' s from Oldworld too—and he ' s heard of Maggie ' s stepfather, and has a guess about Val ' s shadows. Maggie doesn ' t want to know . . . until earth-shattering events force her to depend on Val and his shadows. And perhaps on her own heritage. In this dangerously unstable world, neither science nor magic has the necessary answers, but a truce between them is impossible. And although the two are supposed to be incompatible, Maggie ' s discovering the world will need both to survive. “ A
