The Apostle Paul wrote in First Corinthians 12:1, "Now concerning spiritual gifts, brethren, I would not have you ignorant." In another translation it reads, "Concerning things that pertain to the Spirit, I would not have you ignorant, or misinformed." Each of us has a vital supply to bring, no matter whether our call is to the fivefold ministry or the ministry of helps. In this book by Dr. Ed Dufresne, you will learn why it is so important to the plan of God that you, as an individual believer, discern your place in the Body of Christ and how it pertains to the things of the Spirit.

Christ promised his disciples that they would receive power when the Holy Spirit came on them, and that they would be his witnesses across the world. When the Spirit did come to them in tongues of fire, thousands believed in Christ and were saved. That same miracle, that same Spirit, is alive in us today.so why are all of us-from the evangelical to the charismatic-so desperate for an intimate encounter with God? Why don't we feel like the new creations we know we are? Pastor and theologian Simon Ponsoyby believes that the hunger we feel is a desire for more of the Holy Spirit in our lives. Many Christians have emphasized the experience of the Spirit and neglected the Word, while others have emphasized the Word and neglected the Spirit. Either way, we've become so accustomed to living in the shallow waters of Christianity that we've forgotten the depth of that promised power, and the depth of the love that gave this power to us. In More, Simon invites you to journey with him into the deep waters of God's love. While both biblical and practical, what he says also has the power to inspire in you a new love and a new understanding of everything we've been given in Christ. Are you ready? This journey may not be comfortable or easy, but it will bring you more joy and more of God than you can even imagine.
