Investigating the brutal murder of a socially ambitious plantation owner in early nineteenth-century London, Sebastian St. Cyr discovers a link between the case and the seventeenth-century beheading of King Charles I.

In this mystery in the Sebastian St. Cyr series, the aristocratic investigator is drawn into a sordid world of greed, desperation, and the occult when the husband of his former lover is accused of murder. Regency England, September 1812: After a long night spent dealing with the tragic death of a former military comrade, a heart-sick Sebastian learns of a new calamity: Russell Yates, the dashing, one-time privateer who married Kat Boleyn a year ago, has been found standing over the corpse of Benjamin Eisler, a wealthy gem dealer. Yates insists he is innocent, but he will surely hang unless Sebastian can unmask the real killer. For the sake of Kat, the woman he once loved and lost, Sebastian plunges into a treacherous circle of intrigue. Although Eisler's clients included the Prince Regent and the Emperor Napoleon, he was a despicable man with many enemies and a number of dangerous, well-kept secrets—including a passion for arcane texts and black magic. Central to the case is a magnificent blue diamond, believed to have once formed part of the French crown jewels, which disappeared on the night of Eisler's death. As Sebastian traces the diamond's ownership, he uncovers links that implicate an eccentric, powerful financier named Hope and stretch back into the darkest days of the French Revolution. When the killer grows ever more desperate and vicious, Sebastian finds his new marriage to Hero tested by the shadows of his first love, especially when he begins to suspect that Kat is keeping secrets of her own. And as matters rise to a crisis, Sebastian must face a bitter truth—that he has been less than open with the fearless woman who is now his wife.

When Gabrielle Tennyson is murdered, aristocratic investigator Sebastian St. Cyr and his new reluctant bride, the fiercely independent Hero Jarvis, find themselves involved in an intrigue concerning the myth of King Arthur, Camelot, and a future poet laureate...

London, 1813. Sebastian St. Cyr, Viscount Devlin, is no stranger to the dark side of the city, but he has never seen anything like this: the brutalized body of a fifteen-year-old boy dumped into a makeshift grave on the grounds of an abandoned factory. One of London's many homeless children, Benji Thatcher was abducted and tortured before his murder - and his younger sister is still missing. Few in authority care about a street urchin's fate, but Sebastian refuses to let this killer go unpunished. Uncovering a disturbing pattern of missing children, Sebastian is drawn into a shadowy, sadistic world. As he follows a grim trail that leads from the writings of the debauched Marquis de Sade to the city's most notorious brothels, he comes to a horrifying realization: someone from society's upper echelon is preying upon the city's most vulnerable

Includes an excerpt from the next book in the series: *Where the Dead Lie*.

The gruesome murder of a young French physician draws aristocratic investigator Sebastian St. Cyr and his pregnant wife, Hero, into a dangerous, decades-old mystery as a wrenching piece of Sebastian's past puts him to the ultimate test. Regency England, January 1813: When a badly injured Frenchwoman is found beside the mutilated body of Dr. Damion Pelletan in one of London's worst slums, Sebastian finds himself caught in a high-stakes tangle of murder and revenge. Although the woman, Alexi Sauvage, has no memory of the attack, Sebastian knows her all too well from an incident in his past—an

## Get Free Who Buries The Dead Sebastian St Cyr 10 Cs Harris

act of wartime brutality and betrayal that nearly destroyed him. As the search for the killer leads Sebastian into a treacherous web of duplicity, he discovers that Pelletan was part of a secret delegation sent by Napoleon to investigate the possibility of peace with Britain. Despite his powerful father-in-law's warnings, Sebastian plunges deep into the mystery of the "Lost Dauphin," the boy prince who disappeared in the darkest days of the French Revolution, and soon finds himself at lethal odds with the Dauphin's sister—the imperious, ruthless daughter of Marie Antoinette—who is determined to retake the French crown at any cost. With the murderer striking ever closer, Sebastian must battle new fears about Hero's health and that of their soon-to-be born child. When he realizes the key to their survival may lie in the hands of an old enemy, he must finally face the truth about his own guilt in a past he has found too terrible to consider....

Hero Jarvis, reform-minded daughter of the Prince Regent's cousin, enlists Sebastian St. Cyr's help in investigating the brutal murders of eight prostitutes. Following a trail of clues from London's seedy East End to the Mayfair mansions of a noble family, the two must race against time to stop a killer whose ominous plot threatens to shake the nation to its very core?

A brutal murder draws nobleman Sebastian St. Cyr into the tangled web of the British royal court in this gripping historical mystery from the national bestselling author of *Where the Dead Lie*. London, 1814. As a cruel winter holds the city in its icy grip, the bloody body of a beautiful young musician is found half-buried in a snowdrift. Jane Ambrose's ties to Princess Charlotte, the only child of the Prince Regent and heir presumptive to the throne, panic the palace, which moves quickly to shut down any investigation into the death of the talented pianist. But Sebastian St. Cyr, Viscount Devlin, and his wife Hero refuse to allow Jane's murderer to escape justice. Untangling the secrets of Jane's world leads Sebastian into a maze of dangerous treachery where each player has his or her own unsavory agenda and no one can be trusted. As the Thames freezes over and the people of London pour onto the ice for a Frost Fair, Sebastian and Hero find their investigation circling back to the palace and building to a chilling crescendo of deceit and death . . .

Sebastian St. Cyr's search for the killer of the controversial Bishop of London leads him from the back alleys of Smithfield to the power corridors of Whitehall to the well-guarded secrets of his own family's past.

The "rich period detail [and] riveting action"\* C. S. Harris delivers in her Sebastian St. Cyr mystery series reaches new heights as the aristocratic sleuth navigates dangerous political waters to bring a murderer to justice... Regency London: July 1812. How do you set about solving a murder no one can reveal has been committed? That's the challenge confronting C.S. Harris's aristocratic soldier-turned-sleuth Sebastian St. Cyr when his friend, surgeon and "anatomist" Paul Gibson, illegally buys the cadaver of a young man from London's infamous body snatchers. A rising star at the Foreign Office, Mr. Alexander Ross was reported to have died of a weak heart. But when Gibson discovers a stiletto wound at the base of Ross's skull, he can turn only to Sebastian for help in catching the killer. Described by all who knew him as an amiable young man, Ross at first seems an unlikely candidate for murder. But as Sebastian's search takes him from the Queen's drawing rooms in St. James's Palace to the embassies of Russia, the United States, and the Turkish Empire, he plunges into a dangerous shadow land of diplomatic maneuvering and international intrigue, where truth is an elusive commodity and nothing is as it seems. \*The New Orleans Times-Picayune
