Highlights the life and accomplishments of the famous cartoonist who created Mickey Mouse, Snow White and the Seven Dwarfs, and Bambi and was the owner of Walt Disney Studios and Disneyland.

Walt Disney always loved to entertain people. Often it got him into trouble. Once he painted pictures with tar on the side of his family's white house. His family was poor, and the happiest time of his childhood was spent living on a farm in Missouri. His affection for small-town life is reflected in Disneyland Main Streets around the world. With black-and-white illustrations throughout, this biography reveals the man behind the magic. This book is not authorized, licensed or endorsed by the Walt Disney Company or any affiliate.

Highlights the life and accomplishments of the famous cartoonist who created Mickey Mouse, Snow White and the Seven Dwarfs, and Bambi and was the owner of Walt Disney Studios and Disneyland.

Walt Disney always loved to entertain people. Often it got him into trouble. With black-and-white illustrations throughout, this biography reveals the man behind the magic.

I am the creator of Mickey Mouse. I am Walt Disney. As a child, I had a wild imagination and a great curiosity. As I grew up, I used those qualities to become a cartoonist. Eventually, I turned these drawings into films and began my own animation business. One of my characters, Mickey Mouse, became so popular that movie theaters sold out and I won an Academy Award. After pursuing a career as a film producer, director, screenwriter, voice actor, entrepreneur and entertainer, I added developer to my resume when I created Disneyland amusement park. I became tremendously successful and beloved by children of all ages because of my belief that even the impossible is possible. I am Walt Disney. To this day, Walt Disney's characters remain some of the most recognizable images in the world. With books, TV shows, films, and amusement parks devoted to his creations, the Walt Disney name lives on. Learn all about this remarkable man's fascinating life in Scholastic's biography series, I AM.

Building the most magical place on earth was no fairy tale. Learn the story behind the creation of Walt Disney World. In 1964, when Walt Disney and his brother Roy decided to build a second theme park in the Florida swamplands, they kept it super hush-hush. Why? Well, if word got out that they planned to buy up lots of land, the price would have skyrocketed. So the Disneys cleverly covered up their trail, avoiding the Orlando airport and even using made-up names, like Walt and Roy Davis, for their flights. The deception worked. In covering the history of the "Most Magical Place On Earth," Joan Holub takes readers both behind the scenes and underneath the park (there are secret employee-only tunnels that form one big circle under the Magic Kingdom). Loaded with fun facts, this book is a great companion to Who Was Walt Disney?

When you wish upon a star', 'Whistle While You Work', 'The Happiest Place on Earth' - these are lyrics indelibly linked to Disney, one of the most admired and best-known companies in the world. So when Roy Disney, chairman of Disney animation, abruptly resigned in November 2003 and declared war on chairman and chief executive Michael Eisner, he sent shock waves throughout the world. DISNEYWAR is the dramatic inside story of what drove this iconic entertainment company to civil war, told by one of America's most acclaimed journalists. Drawing on unprecedented access to both Eisner and Roy Disney, current and former Disney executives and board members, as well as hundreds of pages of never-before-seen letters and memos, James B. Stewart gets to the bottom of mysteries that have enveloped Disney for years. In riveting detail, Stewart also lays bare the creative process that lies at the heart of Disney. Even as the executive suite has been engulfed in turmoil, Disney has worked - and sometimes clashed - with a glittering array of Hollywood players, many of who tell their stories here for the first time.

Read along with Disney! Reading is fun in this exciting Level 1 World of Reading story with word for word narration based on an episode of the upcoming Disney Junior animated series "The Lion Guard."

From hormones to homework, parents to peers, health issues to bad habits, life can be a pressure cooker leading to anxiety and even thoughts of suicide. How can we find relief? Author Whitney Stewart introduces readers to the practice of mindfulness. With its roots in ancient Buddhist teachings, mindfulness--the practice of purposefully focusing attention on the present moment--can change a person's approach to stress, develop skills to handle anxiety and depression, and provide a sense of awareness and belonging. Stewart guides readers through how to get started with meditation as well as provides specific exercises for examining emotions, managing stress, checking social media habits and wellness routines, and setting intentions to increase happiness.

WINNER OF THE SILVER BENJAMIN FRANKLIN AWARD FOR JUVENILE NONFICTION You have probably heard the word Disney before. Come on, who hasn't? You've seen Disney movies, watched Disney TV shows, and maybe even visited Disneyland or Walt Disney World. Did you know there were two brothers with the last name of Disney who created this entertainment empire? Walt and Roy Disney built the world's most popular theme parks and brought to life some of the best-known cartoon characters in family entertainment. The story of their lives is a wonderful tale of hard work, determination, and cooperation. While this book is primarily about Walt Disney, his story can't be properly told without including his older brother Roy and the strong bond between siblings that propelled them to worldwide fame and fortune. Illustrations throughout this biography help tell the story of how two farm boys from the Midwest went on to build one of the world's most successful entertainment companies.
