Wolpe at Sunset Videotron~~ Terryl L. Givens, "The Doors of Faith" (Lecture 1 of 4) Why Faith Matters David J

Rabbi David J. Wolpe's book, *Why Faith Matters*, came to my attention as I prepared to teach a class on Hebrews 11. "Now faith is being sure of what we hope for and certain of what we do not see" (Hebrews 11:1). Wolpe is more philosophical and focuses on the quest for meaning.

Why Faith Matters (English Edition) eBook: Wolpe, David J ...

Why Faith Matters is an articulate defense of religion in America. It makes the case for faith and shows its relationship to history and science. Refuting the cold reason of atheists and the hatred of fanatics with a vision of religion informed by faith, love, and understanding, Rabbi David J. Wolpe follows in a literary tradition that stretches from Cardinal Newman to C. S. Lewis to Thomas Merton—individuals of faith who brought religion and culture together in their own works.

Why Faith Matters is an articulate defense of religion in America. It makes the case for faith and shows its relationship to history and science. Refuting the cold reason of atheists and the hatred of fanatics with a vision of religion informed by faith, love, and understanding, Rabbi David J. Wolpe follows in a literary tradition that stretches from Cardinal Newman to C. S. Lewis to Thomas Merton—individuals of faith who brought religion and culture together in their own works. Wolpe takes readers through the origins and nature of faith, the role of the Bible in modern life, and the compatibility of God and science, concluding with a powerful argument for the place of God, faith, and religion in today's world.

Why Faith Matters is an articulate defense of religion in America. It makes the case for faith and shows its relationship to history and science. Refuting the cold reason of atheists and the hatred of fanatics with a vision of religion informed by faith, love, and understanding, Rabbi David J. Wolpe follows in a literary tradition that stretches from Cardinal Newman to C. S. Lewis to Thomas Merton—individuals of faith who brought religion and culture together in their own works. Wolpe takes readers through the origins and nature of faith, the role of the Bible in modern life, and the compatibility of God and science, concluding with a powerful argument for the place of God, faith, and religion in today's world.

"All beginnings require that you unlock new doors."--Rabbi Nachman of Bratslav In this short and inspiring text, Rabbi David J. Wolpe addresses all who seek to enlarge the spiritual side of their lives. For those considering a return to the faith of their forebears, for those drawn to conversion, *Why Be Jewish?* is a learned, graceful, and welcoming introduction beckoning readers into the heart of this venerable and enduring religion.

Sharing a message of hope in difficult times, a rabbi explains how the inevitable appearance of loss in our lives can become a source of strength, faith, hope, meaning, and purpose rather than of despair.

We are taught to study, to learn, and to let ourselves grow Jewishly. But where does being the people of the book get us in the real world? David Wolpe's collection of essays responds to this question by exploring how Jewish values, such as scholarship and compassion, together with Jewish practice, enhance an individual's private and public life. How does Shabbat help deflect us from the pressures of the societal rat-race? How can Jewish learning subdue political unrest? Rabbi Wolpe draws the lessons of this collection from a variety of religious and historical sources, finding the importance of Israel in a Robert Frost poem, the nature of God in the words of Beowulf, and parenting lessons in the fatherly techniques of King David. The essays address diverse topics ranging from assimilation to Zionism to Jewish concepts of life and death. Rabbi Wolpe asks the questions, sometimes profound, sometimes light-hearted, that challenge us to consider how we live as Jews, how our Jewish lives are influenced by our secular surroundings, and how we can develop our Jewish souls by continuing to learn from new sources while remaining open to spiritual growth. Some of these questions include: Is it wrong to admire Kant, Voltaire, and Roald Dahl if they were anti-Semitic? How can we reconcile our American family traditions with our Jewish family traditions? In an evolutionary debate, do God and Steven Pinker stand behind opposite podiums? Do we need such a thing as a Jewish home? A Jewish homeland? Why does Walt Whitman think we should stay awake during the rabbi's sermon? What lessons of aging gracefully can we learn from Rabbi Akiba and Grandma Moses? An ideal gift for teachers, Confirmation students, grads, and new families that join the congregation.

Of all the figures in the Bible, David arguably stands out as the most perplexing and enigmatic. He was many things: a warrior who subdued Goliath and the Philistines; a king who united a nation; a poet who created beautiful, sensitive verse; a loyal servant of God who proposed the great Temple and founded the Messianic line; a schemer, deceiver, and adulterer who freely indulged his very human appetites. David Wolpe, whom Newsweek called "the most influential rabbi in America," takes a fresh look at biblical David in an attempt to find coherence in his seemingly contradictory actions and impulses. The author questions why David holds such an exalted place in history and legend, and then proceeds to unravel his complex character based on information found in the book of Samuel and later literature. What emerges is a fascinating portrait of an exceptional human being who, despite his many flaws, was truly beloved by God.

Many parents find it easier to talk to their children about sex and other intimate matters than to answer questions about God, prayer, good, and evil. In fact, parents may feel they don't know the answers to such questions for themselves, much less for their young children. In *Teaching Your Children About God*, Rabbi David Wolpe shows Jewish parents how to openly explore the idea of God with their children. Through poignant anecdotes and practical exercises, Wolpe teaches how parents can guide children in the practice of prayer and create an atmosphere in which children feel comfortable questioning and wondering about God, life, and death. Wolpe also offers invaluable insights into children's spiritual needs, reveals the powerful effect faith can have on a child's self-esteem, and enables parents to understand their children's fears, dreams, and hopes. Perhaps most important, this wise and potentially life-changing book shows parents who may feel something missing in their own spiritual lives that it is possible to nourish their own souls even as they nurture their children's.

In a work of remarkable clarity and wisdom, Rabbi Wolpe confronts a central dilemma of modern Judaism, combining his deep knowledge of ancient tradition with modern sensibilities to show contemporary Jews that God still speaks to them--to their daily struggles, angers, fears, and needs, offering comfort and inspiration.

A thought-provoking, original appraisal of the meaning of religion by the host of public radio's *On Being* Krista Tippett, widely becoming known as the Bill Moyers of radio, is one of the country's most intelligent and insightful commentators on religion, ethics, and the human spirit. With this book, she draws on her own life story and her intimate conversations with both ordinary and famous figures, including Elie Wiesel, Karen Armstrong, and Thich Nhat Hanh, to explore complex subjects like science, love, virtue, and violence within the context of spirituality and everyday life. Her way of speaking about the mysteries of life--and of listening with care to those who endeavor to understand those mysteries--is nothing short of revolutionary.

A renowned scientist and author combines decades of scientific research and biblical study to present a groundbreaking new paradigm of how to understand God.
