Hyundai Excel 1986-94 Shop Manual Haynes. 247 pgs., 592 b&w ill.

The Honda K-Series engine was introduced in 2001, replacing the B-Series as the engine of choice for Honda enthusiasts. These new K-Series engines are the most powerful stock Honda/Acura engines you can get. They featured new technology such as a roller rocker valvetrain, better flowing heads, and advanced variable cam timing technology that made these engines suddenly the thing to have. And that's where the engine swappers come in. In *Honda K-Series Engine Swaps*, author Aaron Bonk guides you through all the details, facts, and figures you will need to complete a successful K-Series swap into your older chassis. All the different engine variants

are covered, as well as interchangeability, compatibility, which accessories work, wiring and controls operation, drivetrain considerations, and more. While you can still modify your existing B-Series, dollar for dollar, you can't make more power than you can with a Honda K-Series engine. If you have an older chassis and are looking for a serious injection of power and technology, swapping a K-Series engine is a great option. Honda K-Series Engine Swaps will tell you everything you need to know.

International Trade Law offers a clear overview of the complexities of an international sale transaction through informed analysis of case law, legislation, and international conventions and rules. Fully

updated with changes to the law and new directions in legal debate, this new edition considers:

- Standard trade terms including INCOTERMS 2010, the Convention on International Sales of Goods 1980 and the UNIDROIT Principles for International Commercial Contracts 2004
- E-Commerce issues, including electronic bills of lading
- Insurance and payment mechanisms, such as letters of credit and the UCP 600
- International transportation of cargo, including the Rotterdam Rules
- Dispute resolution, incorporating jurisdiction, applicable law, arbitration and mediation
- Corruption and anti-corruption conventions, including the UK Bribery Act 2010

In addition to clarifying a range of topics through tables and diagrams, the book directs readers to relevant further reading and online resources throughout, offering students an accessible resource to this often challenging area of the
